OPAL COLLECTION MEETINGS

Bake in a Muffin Break

Groups who book by June 30, 2027 get a complimentary break included in their program. But this isn't any ordinary break — it centers around savoring and sharing in one of Opal's sweetest and longest-running traditions: Tom's Blueberry Muffins.

Made from a recipe that dates back to the '60s and named after the late founder of Opal Collection hotels and resorts from Maine, Thomas Walsh, the muffins were a signature way Tom liked to take a time out to pause and recharge during the work day. Your group can do the same, while enjoying this signature Opal treat, served warm and crowned in crunchy crystalized sugar – the way Tom liked best.
