**Airport Shuttle**

Airport Shuttle is the official company for transportation to and from Louis Armstrong New Orleans International Airport. The current standard fare for a single passenger is $38.00 roundtrip or $20.00 for a one-way inbound or outbound ticket between the airport and downtown hotels. Service is available on a continuous basis with vans departing approximately every 30 minutes from baggage claim. Airport Shuttle has a fleet of 60 clean burning propane-fueled, 10 passenger vans and mini-buses.

Airport Shuttle: Individual Arrivals/Departures  
(504) 522-3500

Pre-purchase/larger groups  
1-866-596-2699

Visit the following link to access all bus and streetcar lines information.  

The Regional Transit Authority is constructing a new streetcar segment, the UPT/Loyola Avenue line. This line, less than a mile long, will run from the Union Passenger Terminal down Loyola Avenue to Canal Street. The segment will connect to the current Canal Street line linking inter-city transit and the local transit system. The line is projected to be completed by September 2012.

**Jazzy Pass**

The Jazzy Pass allows for unlimited ridership on busses and streetcars and is available in one, three or thirty day options. One day pass is $3.00, three day pass is $9.00 and a thirty day pass is $55.00.

**Limousine Service**

New Orleans has many options to satisfy the desire for an elite style of transportation. Limousine service companies have a variety of travel options ranging from stretch limousines to sedans to SUV’s and elite business. Transportation can be arranged for events, airport transfers or group outings.

Rates are set by the limousine companies. City ordinance requires all rates shall be no less than $40.00 per hour and the minimum hire period cannot be less than three hours.

**Pedicabs**

Pedicabs provide visitors a unique way of transporting through the city while being able to appreciate the historic landmarks, city activity and city views. Passengers are carried throughout the downtown area of New Orleans by using human energy to power a bicycle-drawn carriage.

Current fares: $5.00 per person for the first six blocks then $1.00 per passenger for each additional block.
