ISC2

SECURE LONDON

Sponsorship Prospectus

19 November 2026

ABOUT ISC2

ISC2 is the world's leading member organisation for cybersecurity professionals, driven by our vision of a safe and secure cyber world. Our more than 265,000 certified members, and associates, are a force for good, safeguarding the way we live. Our award-winning certifications - including cybersecurity's premier certification, the CISSP® - enable professionals to demonstrate their knowledge, skills and abilities at every stage of their careers. ISC2 strengthens the influence, diversity and vitality of the cybersecurity profession through advocacy, expertise and workforce empowerment that accelerates cyber safety and security in an interconnected world. Our charitable foundation, The Center for Cyber Safety and Education, helps create more access to cyber careers and educates those most vulnerable. Learn more, get involved or become an ISC2 Candidate to build your cyber career at ISC2.org. Connect with us on X, Facebook and LinkedIn.

ABOUT ISC2 SECURE EVENTS

ISC2 SECURE Events are one-day conferences focused on continuing the cybersecurity conversation at a regional level, on topics with global impact. The events promote engagement, allowing members and non-members to stay up to date on the most current cybersecurity topics year-round.

WHY EXHIBIT AND SPONSOR

As a sponsor, you will have the opportunity to present highly targeted, regional-specific messaging that answers each audience's unique interests.

- Expand your organisation's global brand recognition
- Connect with cybersecurity leaders and stakeholders
- Gain access to one-on-one conversations with key decision-makers seeking the latest products and solutions
- Nurture qualified leads that convert to sales
- Choose from a broad range of premium visibility opportunities
- Build a sponsorship package tailored to your organisation's unique needs

WHAT SPONSORS SAID ABOUT LAST YEAR'S EVENT

"It's been interesting — really good insights from the keynotes. I've learned a lot in terms of how security leaders are thinking and their strategies."

Jason Nolan,
Infoblox

"It's been a very good event — very well-attended and looked after by the staff. It's the right audience for us because of what they do, where they are and where they specialise."

Connor Palmer Taylor,
Concentric AI
