TOWNHOUSES

9 Three Bedroom Units-
about a minute walk from the Main Hotel Lobby

Tucked next to the resort’s main building, the townhouses have a fresh new contemporary look where the exuberance and excitement of “South Beach” meets Vermont country chic. You will find the warm inviting color palette of the existing green and brown hues of the Resort continues here. The new decor includes new sofas, furnishings and light fixtures created by the sought-after designer Mitchell Gold. The Bob William Collection, as it’s called, includes re-claimed floor wood for side tables and unique decorative objects. Other details include area photos from local photographers which brings the nature of Vermont into each home and engage you further to explore the expansive natural setting of the Equinox Resort.

Townhouse Suite
9-Townhouse Suite: The townhouses suite offers fireplaces, fully equipped kitchens, porches and a living room with sleeper sofa.

Deluxe Townhouse King
9-Deluxe King: King room located in the townhouses- includes a mountain view and a patio.
