Disney Celebrations and Events Convention Tickets and Group Events

Are you looking for a way to WOW your guests? Why not host a private event in a Disney Theme Park or host a Disney Character Experience during your event? Or, maybe you just want your attendees to have access to special Convention Ticket Pricing. When your group meets at the Wyndham Lake Buena Vista, your options are endless. For more information, please reach out to Clay Shoemaker with Disney Destination Sales at (407) 404-4291 or via email at Clay.Shoemaker@disney.com

Here are some of the ways the Disney Destination Sales team can support groups:

- **Ticket Microsite:** for groups who wish to have their guests purchase their own individual tickets, we can set up a ticket site for the guests to access our specially priced meeting/convention tickets. Here is a sample microsite: https://www.mydisneygroup.com/offsitesample
- **Bulk Ticket Orders**: for groups who wish to purchase 30+ tickets, where the group is paying for all of the tickets, we can assist them with placing a bulk order. We can also sell Disney Gift Cards and the season hard ticket events (such as Mickey's Very Merry Christmas Party and Jollywood Nights). You are welcome to offer my information directly.
- **Theme Park Event Location Highlights:** And of course, we spoke on event venues and the extraordinary array of locations exclusive to our official resorts. We will work on a more comprehensive overview but also wanted to offer a few favorites that range from dessert parties to some of our signature locations.
