WELCOME

SERVICES

VENUE COORDINATION
Venue coordination is included with the rental and provides support throughout planning and event execution, including floor plan development, access to the curated furniture inventory, and on-site venue management.

AUDIO/VISUAL
Baseline AV services are included with the venue rental. Expanded in-house AV offerings are available upon request through curated packages or customized scopes aligned with production needs. A detailed AV scope and pricing will be confirmed based on the event program.

FOOD & BEVERAGE - MENUS
Food and beverage offerings are provided exclusively by The Yacht Club, the in-house culinary partner. Curated menus support a range of event formats, and catering packages included in the proposal are estimates that may be customized based on the event program.
