

PRACTICAL STRATEGIES FOR OBESITY: TREATMENT IN CHILDREN AND ADOLESCENTS

Helping healthcare workers provide patient-centric
care for younger patients

Shipping Instructions for Apella RTP

Exhibitor materials may be sent in advance and may be received up to 3 business days before the event. **For larger shipments, Apella's advance approval is required.** Deliveries via USPS cannot be received at Apella RTP.

All materials should be clearly marked and shipped directly to:

APELLA
Cendy Knight
12 Davis Drive
Durham, North Carolina 27713
C/O Duke Surgery: Pediatric Obesity CE 5/21/2027

NOTE: USPS does NOT deliver packages to this address; you must use another packaging service such as FedEx, UPS, DHL, etc.

Arrangements for items to be returned after an event should be handled by the Exhibitor and must be shipped no later than the following business day after the event. Arrangements must be made directly between the Exhibitor and the shipping service.

To prepare for pick-up, items should be packaged, sealed, labeled, scheduled for pick-up, and left with Apella™ Management. Please note that Apella does not have a "regular" pick-up schedule with any service. If you do not schedule a pick-up, the package will not be shipped.

Any materials left by an Exhibitor are considered to be trash and will be discarded after the event. Apella™ shall not be responsible for any items left behind at the conclusion of the event.
