

Catering to suit everyone's tastes

When your whole meeting or event is bespoke, it would be careless to ruin it with triangular sandwiches. Why not give your marketing meeting a touch of Milan, or sprinkle some Savile Row on your sales pitch with our stylish buffet options.

Choose from the classic British tastes with **The London Collection**, including individual pork pies, sausage rolls and honey roast gammon & cheddar. Or how about a range of west and east Asian sensations with **The Hong Kong Collection**, featuring duck and hoisin wraps, samosas and satay skewers. Or select **The Milan Collection** for a sun-kissed range of Mediterranean flavours, or **The New York Collection** for our big, bold American dishes.

Or if none of the above suit, we have something a little different with **The Mal Classics Collection**. With chicken lollipops, mini Mal burgers, wraps and fishcakes, it represents a great selection of our most popular meetings and events cuisine over the years.
