

Friday, September 18th Axis Research & Tech / 1420 Donelson Pike Suite A20 Nashville, TN 37404

7:15am Meet in Hotel Lobby

7:30am Depart from Hotel to Lab

8:00am Breakfast and Registration | Networking

8:30am Transition to Conference Room

8:35am Welcome & Opening Remarks

8:40am **Primary Knee Arthroplasty Paradigms & Perspectives**

Moderator: Sayfe Jassim, MD

- Evolution of Knee Alignment: From Mechanical to Kinematic - 10 min - **Katherine Mallett, MD**
 - Understanding the trends in the market
 - Why this matters today and, in the future
- Alternative Alignment: Bridging Theory with Technology – 25 minutes
 - Building on Kinematics: An Introduction to Kinematic Alignment - **Jonathan Spanyer, MD**
 - Restricted / Unrestricted (include case discussions)
 - Building on Kinematics: An Introduction to Inverse Alignment Strategies - **Alex Athey, MD**
 - Does approach matter (include case discussion)
- Designed for Motion: Kinematic Restoration with Attune Knee System - **Sayfe Jassim, MD**
 - Tibiofemoral Kinematics – **Katherine Mallett, MD**
 - Patellofemoral Kinematics – **Jonathan Spanyer, MD**
 - Implant Fixation – **Sayfe Jassim, MD**
 - Boundaries that Matter – **Alex Athey, MD**
 - Subvastus w/robotics – **Sayfe Jassim, MD**
- Robotics Efficiencies in the ASC Setting – **Sayfe Jassim, MD & Alex Athey, MD**
- Round Robin Rapid Fire Panel Discussion – 20 minutes – Moderator: **Sayfe Jassim, MD**
 - Insights from faculty
 - Auto-Plan
 - Extreme case scenarios
 - Audience Q&A

10:15am Energy Break and Transition to Lab

10:30am – 12:15pm: **Hands-on Primary VELYS Robotics Cadaveric Lab**

12:15pm – 1:00pm: **Lunch:** Innovations in Hip Arthroplasty Presentations (Marketing) - KINCISE™ (ACE) / VHN™ (AI/HUB) / Watson Extraction

Agenda

1:00pm: Tackling the Leading Issues in Revision Knees

Moderator: **Sayfe Jassim, MD**

- Greatest Challenges in Revision TKA: Why Knees Fail & Ideal Treatments - **Sayfe Jassim, MD**
 - Panel Discussion - **Katherine Mallett, MD / Jonathan Spanyer, MD / Alex Athey, MD**
- Simplifying Your Revision: Implant Design and Latest Developments - **Katherine Mallett, MD**
- Understanding Your Options: Cones vs. Sleeves - **Alex Athey, MD**
 - Panel Discussion - **Katherine Mallett, MD / Jonathan Spanyer, MD / Alex Athey, MD**

Moderator: **Sayfe Jassim, MD**

- Revision Knee Complex Case Review
 - Panel Discussion - **Katherine Mallett, MD / Jonathan Spanyer, MD / Alex Athey, MD**

2:00pm: Hands-on Knee Revision Cadaveric Lab

3:15pm: Lab concludes

3:30pm: Buses Depart to airport or back to hotel
