# Welcome to Bethany's Table

For over sixteen years Bethany's Table has served as the beating heart of Bethany Village, a small, walkable neighborhood where people come to gather, connect, and share exceptional food. We are recognized regionally as a Portland area top tier farm-to-table dining room, and everything we do is rooted in a genuine passion for hospitality and world class cuisine.

Food quality and integrity anchor everything we put on the table. Chef Janet roams farmers markets wherever she finds them, and local farmers, organic co-ops , and foragers make frequent deliveries of everything from truffles to sea beans. We partner with local Native American tribes to source farmed steelhead, bring salmon straight off the scaffolds on the Columbia, and source halibut fresh from the cold waters of Alaska. Our beef is Choice grade, raised and processed according to humane Temple Grandin standards. Naturally fermented bread, pizza dough, and fresh pasta are made in house daily. Our spirits selection is impressive, and our wine list is unsurpassed.

Our private dining program is a natural extension of that same warmth and attention to detail. Whether you are celebrating a milestone, hosting a corporate dinner, or simply gathering the people who matter most, our team is dedicated to making every detail feel effortless and every guest feel genuinely at home.

# MEALS

Something magical happens when people gather around a table and share a meal together. Our group dining menus are designed as a four to five course family style experience, where large shared platters are passed around the table creating a warm, communal atmosphere that brings people closer together.

Our private dining team is gifted at guiding the evening through each course with seamless, attentive, world class service. The artists in our scratch kitchen excel at designing menus that suit a wide range of dietary needs including vegetarian, dairy free and gluten free, and they do so in a way that never disrupts the flow of service or makes any guest feel singled out.

We offer two standard menu structures at $85 and $125 per person and are happy to customize any menu to your group's specific needs and preferences. For groups of 12 and under, guests are welcome to order from our standard dinner menu.

For beverages we can curate a selection tailored to your preferences, or guests can order freely from our full bar featuring a creative cocktail menu alongside a thoughtful selection of wines and beers.
