NORTH CAROLINA ALLERGY ASTHMA
& IMMUNOLOGY SOCIETY

NCAAIS

2021 VIRTUAL ANNUAL MEETING

MAY 21-23, 2021

This continuing medical education activity is jointly provided by the North Carolina Allergy, Asthma and Immunology Society and the Southern Regional Area Health Education Center

2021 ANNUAL MEETING

TARGET AUDIENCE AND PURPOSE

The North Carolina Allergy, Asthma, & Immunology Society is pleased to announce its 2021 Virtual Annual Meeting. The target audience for this meeting includes Asthma, Allergy, and Immunology physicians and extenders in private practice and in academic medicine, residents and fellows in training, physician assistants, and midlevel providers. This educational activity will update attendees on the latest medical knowledge available from medical literature, clinical experience and research, to keep practitioners on the forefront of new discoveries and their application to the practice of AAI for the benefit of their patients.

OBJECTIVES

- Improve patient care by learning the symptoms and triggers of FPIES.
- Improve patient care in appropriate diagnosis, testing, treatment and course.
- Identify various factors for the dysbiosis associated with a food allergy.
- Improve patient care with appropriate diagnosis, address the actual cause of these allergies, and treatment options. Immunotherapy is a more recent approach, but it is only effective in some cases.
- Improve knowledge of motivations and practice styles among providers offering food oral immunotherapy (OIT). Significant differences exist in OIT occurring in academic vs. non-academic settings, including billing for reimbursement.
- Improve patient care by applying personalized, precise therapy, which takes into consideration the patient's specific clinical and immunologic subtypes.
- Review legislative updates and advocacy in North Carolina.

CREDIT STATEMENT

AMA PRA Category 1 Credit™ - 6.5 hours

The Southern Regional AHEC designates this live activity for a maximum of 6.5 hours AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ACCREDITATION

This activity has been planned and implemented in accordance with the Essentials and Standards of the North Carolina Medical Society through the joint providership of the Southern Regional AHEC and North Carolina Medical Society. The Southern Regional AHEC is accredited by the NCMS to provide continuing medical education for physicians.

ADDITIONAL CREDIT

For Non-Physicians: Other health professionals will receive Southern Regional AHEC CEU and/or contact hours and a certificate of attendance from an AMA PRA Category 1™ activity. These certificates are accepted by the NC boards for physician assistants, nurse practitioners, nurses, physical therapists and athletic trainers. License requirements are subject to change. Southern Regional AHEC recommends that participants contact their licensing boards with specific questions. Southern Regional AHEC will provide .7 Continuing Education Units (6.5 contact hours) to participants upon completion of this activity.

OVERVIEW

DISCLOSURE STATEMENT

The Southern Regional AHEC adheres to ACCME Essential Areas and Policies regarding industry support of continuing medical education. Disclosures of faculty/planning committee members and commercial relationships will be made known at the activity. Speakers are also expected to openly disclose a discussion of any off-label, experimental, or investigational use of drugs or devices in their presentations.

MEETING FEATURES

The Virtual Annual Meeting program features outstanding faculty who will address current topics of interest to the practicing allergy, asthma, immunology, dermatology. This year's program includes presentations on COVID updates, food immunotherapy, atopic dermatitis, billing & coding, in addition to clinical presentations and an important legislative update. The schedule includes daily breaks and a Friday evening virtual wine tasting. These events will provide an opportunity to renew friendships and meet new colleagues.

MEETING REGISTRATION

The registration fee for this meeting is $100 for member physicians, $200 for non-member physicians, PharmD or PhD, $75 for member PA/NP or staff in NCAAIS member practice, and $150 for non-member PA/NP. The fee for emeritus/ retired members is $75. Registration fees are waived for residents, fellows and medical students. Members of neighboring state societies may register at the NC member rate. You may register securely online at **https://cvent.me/mA5BxZ**, or complete the registration form in this brochure and return it by **May 14**.

REGISTRATION CANCELLATION

Please note that refunds of registration fees will not be made after **April 30**. Refunds, less $25, will be made for cancellations received prior to that date.

AMERICANS WITH DISABILITIES ACT

The NCAAIS is fully committed to the principle of equal educational opportunities for all individuals and does not discriminate on the basis of any characteristics protected by federal or state law. If you require any of the auxiliary aids or services identified in the Americans with Disabilities Act in order to participate in this program, please call Megan Eberle at the NCAAIS at (919) 833-3836, no later than 10 business days before the date of the activity.

QUESTIONS?

If you have any questions or need assistance, contact the NCAAIS at (919) 833-3836 or **meberle@ncmedsoc.org.**

SCHEDULE

FRIDAY, MAY 21

5:30pm-5:55pm	Business Meeting - **Aerik Williams, MD, MPH,** NCAAIS President *(members only)*
6:00pm-7:00pm	Virtual Wine Tasting Welcome Reception (50 person limit)

SATURDAY, MAY 22

8:00am-8:15am	Welcome and Introductions - **Aerik Williams, MD, MPH,** NCAAIS President
8:15am-9:00am	COVID-19 Vaccine - **Elizabeth C. Tilson, MD, MPHS**
9:00am-9:30am	Advocacy Update - **Sue Ann Forrest, MPA**
9:30am-10:00am	Break and Networking Opportunity with Exhibitors
10:00am-10:45am	Food Immunotherapy - **Edwin Kim, MD**
10:45am-11:30am	Dermatology Pearls for the Allergist - **Marc J. Serota, MD**
11:30pm-12:15pm	Microbiome and Food Allergy - **Christina E. Ciaccio, MD, MSc**
12:15pm	Adjourn

SUNDAY, MAY 23

8:00am-8:05am	Introductions - **Aerik Williams, MD, MPH,** NCAAIS President
8:15am-8:35am	Optimizing Treatment for COVID-19 in a CVID Patient Undergoing Chemotherapy - **Alex Wonnaparhown, MD**
8:35am-8:55am	Chromosomal HHV-6 Integration in a Patient with ADA-Deficient SCID - **Pooja Purswani, MD**
9:00am-9:45am	Billing and Coding for Allergists/Immunologists Part I - **Teresa Thompson, BS, CPC, CMSCS**
9:45am-10:15am	Break and Networking Opportunity with Exhibitors
10:15am-11:00am	Billing and Coding for Allergists/Immunologists Part II - **Teresa Thompson, BS, CPC, CMSCS**
11:00am-11:45am	Optimizing Safety of Subcutaneous Allergen Immunotherapy- **David I. Bernstein MD**
11:45am-12:00pm	Wrap Up and Prize Drawing
12:00pm	Adjourn

Executive Director
Raleigh, NC

JOIN US FOR A VIRTUAL WINE TASTING PARTY!

NCAAIS has partnered with ONX wines to offer you a wine tasting experience from the comfort of your own home. Your ONX host will go into depth about the wines and the stories behind them, as well as walk you through the senses you use to taste them and offer suggested food pairings on your request.

- The virtual tasting kit includes a full flight of five wines and material for you to follow along. The bottles are all 2oz, giving you enough to try the wine and then come back to it if you'd like to try it some more.
- The tasting will last about an hour, depending on how many questions are asked. Questions are encouraged by the ONX hosts!
- ONX recommends chilling the Indie Rose in the fridge ahead of the appointment and storing the rest of the kit in a cool dark place in your home. You can also remove the protective seals ahead of the appointment to save time during the tasting.
- The tasting kit will ship GLS overnight or FedEx 2-day to make sure the integrity of the wine is preserved as it travels quickly to your location. An adult 21+ will need to be present to sign for the package, as it does contain alcohol.

The cost to attend is $25 per person. Space is limited, so register soon!

Ancillary CME Session: SATURDAY, MAY 22

12:20pm - 1:20pm

Improving Recognition and Management of EGPA: A Multidisciplinary Approach to Individualizing Treatment- **Michael E. Wechsler, MD**

Session Description:
Eosinophilic granulomatosis with polyangiitis (EGPA) is a rare multisystemic disorder that can be fatal if left untreated. EGPA is characterized by moderate-to-severe asthma, peripheral blood eosinophilia, mononeuropathy or polyneuropathy, pulmonary infiltrates, paranasal sinus abnormalities, and extravascular eosinophils or eosinophilic vasculitis. Optimal treatment involves accurate diagnosis of the condition, keeping abreast of novel and emerging therapies, and a multidisciplinary approach.
This program will feature an expert in EGPA as they aim to give a greater understanding into the recognition, diagnosis, and individualized management of EGPA.

Upon completion of this educational activity, participants should be able to:

- Describe the pathophysiology of eosinophilic granulomatosis with polyangiitis (EGPA) and its relationship to novel therapeutic targets
- Recognize the importance of a multidisciplinary approach in diagnosing and managing patients with EGPA
- Apply evidence-based approaches to diagnose and differentiate EGPA from other eosinophilic disorders
- Develop individualized treatment plans for patients with EGPA based on the latest clinical data

Accreditation Statement
Medical Learning Institute, Inc. is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation
The Medical Learning Institute, Inc. designates this live activity for a maximum of 1.0 AMA PRA Category 1 CreditTM. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This activity is developed with our educational partner, PVI, PeerView Institute for Medical Education.

This activity is supported by an educational grant from GlaxoSmithKline.

Disclosure of Conflicts of Interest
The Medical Learning Institute, Inc. (MLI) requires faculty, planners, staff, and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflicts of interest (COI) they, and their spouse/life partners, may have as related to the content of this activity. These disclosures will be provided to learners prior to the start of the activity. All identified COI are thoroughly vetted and resolved according to MLI policy. MLI is committed to providing its learners with high quality activities and related materials that promote improvements or quality in healthcare and not a specific proprietary business interest of a commercial interest.
