

We are better together!

The National Association for the Education of Young Children (NAEYC - www.naeyc.org) and Ohio AEYC (www.oaeyc.org) are both committed to promoting excellence in early childhood programs in all settings. **Ohio AEYC is eager to support family child care providers** as their programs begin participation in Step Up To Quality in a few months.

In the spirit of collaboration and support, we are inviting licensed Type A and Type B homes to join over 2,000 early childhood professionals at the Ohio Early Care & Education Conference. Connecting with other family child care providers as well as networking with those working in child care, public preschool, Head Start and a variety of other program types provides an opportunity to **strengthen our profession** by getting to know each other and learning from one another.

Steve Spangler, who frequently appears on the Ellen Show, will join us on Friday to demonstrate his true passion for making learning fun in his workshop "*Amazing Science Experiences on a Shoe String Budget*". Even if you can only attend on Saturday, one of the most popular early childhood speakers in the country, Lisa Murphy will inspire you with her humor, insight and practical tips. Check out our **national experts** and the **great line-up of exhibitors** who will fill the Exhibitor Showcase with new products and services.

You're invited to attend one, two or all three days of the conference –
whatever fits your schedule best!

Ohio AEYC will waive the conference registration fee
for family child care providers (a value of $265 for non-members).

A non-refundable online processing fee of $25 will be charged at the time of registration. You will be asked to enter your Type A or Type B license number when registering. The discounted rate does not include the complimentary membership offered to those paying full price. Please select "*No. I am using the family child care discount code.*" in answer to the membership question. **Enter the discount code FAMILY on the payment page to adjust your fee to $25 (credit cards only).**

Join us in making this the largest and most powerful gathering of
early childhood enthusiasts our state has ever seen!
