

Cybersecurity's Biggest Event for Your Team

The future of cybersecurity belongs to those who stay ahead. Give your team access to the knowledge, connections, and tools needed to protect your organization. At ISC2 Security Congress 2026, your employees will engage with leading experts, gain actionable insights, and refine their security strategies.

WHY BRING YOUR TEAM?

- Exclusive group pricing for in-person and virtual attendance
- 100+ sessions covering AI security, cloud risk, threat intelligence, and more
- Hands-on training and career development workshops
- Earn CPE credits while advancing your organization's cybersecurity capabilities

REGISTER TODAY

Invest in your team's future with special group rates. Contact us for details at **Groupsales@ISC2.Org** on discounted pricing and customized participation options.
