ABOUT ISC2

ISC2 is the world's leading member organization for cybersecurity professionals, driven by our vision of a safe and secure cyber world. Our more than 270,000 certified members, and associates, are a force for good, safeguarding the way we live. Our award-winning certifications - including cybersecurity's premier certification, the CISSP® - enable professionals to demonstrate their knowledge, skills and abilities at every stage of their careers. ISC2 strengthens the influence, diversity and vitality of the cybersecurity profession through advocacy, expertise and workforce empowerment that accelerates cyber safety and security in an interconnected world. Our charitable foundation, [The Center for Cyber Safety and Education](#), helps create more access to cyber careers and educates those most vulnerable. Learn more, get involved or become an ISC2 Candidate to build your cyber career at [ISC2.org](#). Connect with us on [X](#), [Facebook](#) and [LinkedIn](#).

ABOUT ISC2 SECURE EVENTS

ISC2 SECURE Events are one-day conferences focused on continuing the cybersecurity conversation at a regional level, on topics with global impact. The events promote engagement, allowing members and non-members to stay up to date on the most current cybersecurity topics year-round.

WHY EXHIBIT AND SPONSOR

As a sponsor, you will have the opportunity to present highly targeted, regional-specific messaging that answers each audience's unique interests.

- Expand your organization's global brand recognition
- Connect with cybersecurity leaders and stakeholders
- Gain access to one-on-one conversations with key decision-makers seeking the latest products and solutions
- Nurture qualified leads that convert to sales
- Choose from a broad range of premium visibility opportunities
- Build a sponsorship package tailored to your organization's unique needs

WHY SPONSORS PARTNER WITH ISC2

"I would highly suggest this event to anybody that's looking to connect with professionals and also seeing how they can make an impact not only for their business, but also to these people that are coming to this phenomenal show."

Ken Shahs,
Training Camp

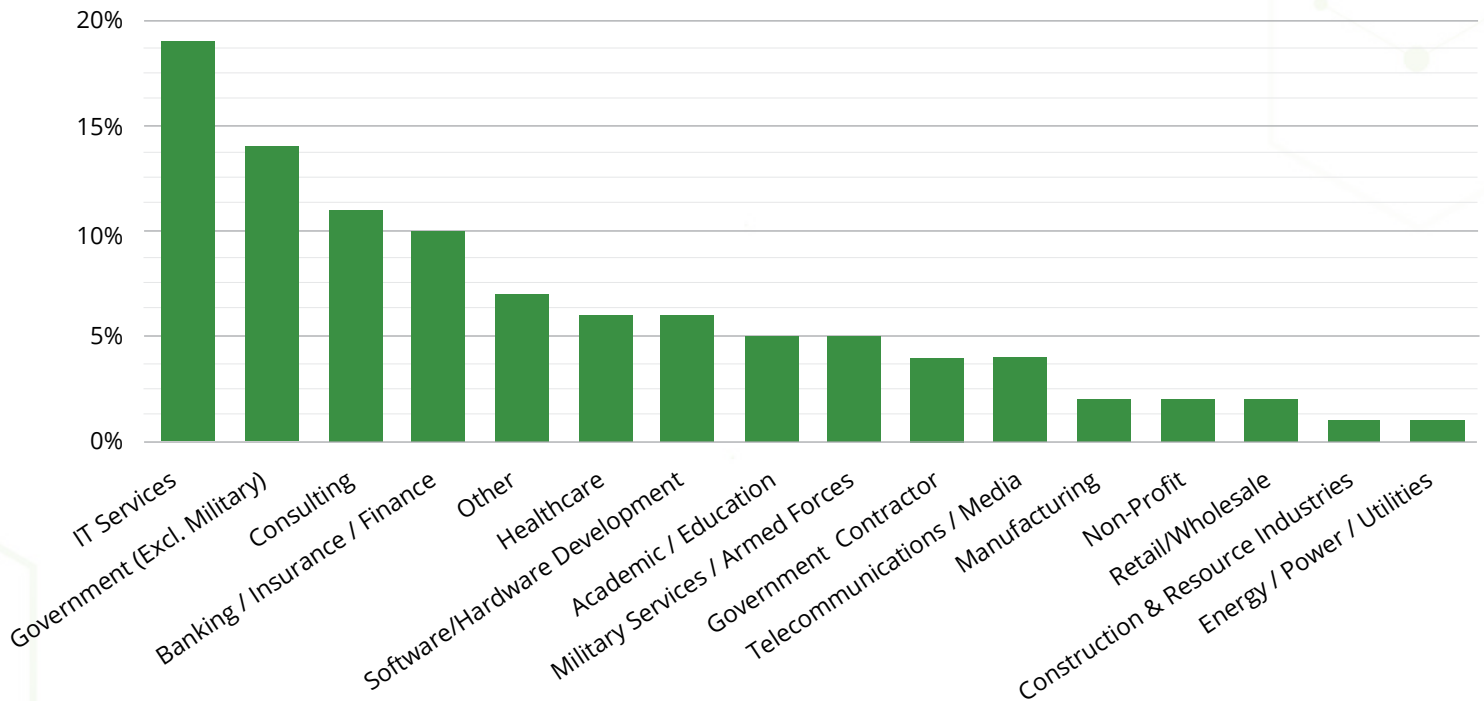

"I think what keeps bringing us back is, again, being able to talk to the right people and learning, you know, really what their pain points are when it comes to security and how we can find solutions."

Brady Phillips,
ThreatLocker
