4. CPE Credits & Sponsored Session Policy

4.1. ***Sessions & CPE Credit***. ISC2 credential holders are required to earn Continuing Professional Education (CPE) credits to remain a member in good standing. The CPE requirement is intended to ensure one maintains competencies following initial certification. To ensure CPE credits automatically post to ISC2 members' accounts, they **must include their ISC2 member number when registering**. It will take approximately 5-10 business days post-event for ISC2 to apply the earned CPE credits. Those who do not include their member ID number upon registering will need to manually submit their CPEs post-conference.

a) Online registration holders will have access to conference sessions through our events site at events.isc2.org. Online attendees can claim CPE credits for all sessions that offer CPE by viewing at least 90% of the session in the virtual player. *We strongly advise you to select your session prior to the start time. Switching mid-session may result in no CPE credit being earned.*
b) For more information about CPEs, please refer to https://www.isc2.org/Member-Resources/CPE-Overview upon logging in to the ISC2 Member Portal.

4.2. In order to allow for free attendance for ISC2 members some of the sessions within this event have been sponsored.
