

Translational Impact of Environmental Health Sciences: from Bench to Broad Street

All	Research	CEC	Business Admins	Career Development	Closed Session
-----	----------	-----	-----------------	--------------------	----------------

Monday, September 14, 2026: Memorial Art Gallery					
3:00PM-5:00PM	<i>Memorial Art Gallery Atrium</i> Early Registration				
6:00PM-8:00PM	<i>La Bola, 240 E. Main Street</i> Optional: Meet and Greet for CECs (self-pay)				

Tuesday, September 15, 2026: Memorial Art Gallery					
7:30AM-8:45AM	Vanden Brul Pavilion Registration & Breakfast				
8:45AM-9:00AM	Auditorium Welcome, B. Paige Lawrence, URochester				
9:00AM-10:00AM	Auditorium Translational Research is a Key Driver of EHSCC Facilitators: Graham Parker, WSU; Hollie Swanson, UK				
	9:00-9:20	Graham Parker	Found in Translation: Framing Environmental Health Science in Detroit	Wayne State University	
	9:20-9:40	Paloma Beamer and Dean Billheimer	Closing the Distance: How TRSC–CEC Connections Translate Research into Impact in Arizona	University of Arizona	
	9:40-10:00	Discussion (all attendees)			
10:00AM-10:30AM	Vanden Brul Pavilion BREAK				
10:30AM-11:20AM	M&T Ballroom Effective Strategies for TRSC Operations (Roundtable Discussion) Facilitators: Todd Jusko, URochester; Graham Parker, WSU		Bausch & Lomb ESI Meet and Greet with NIEHS Director Dr. Kyle Walsh (closed session for early-stage investigators) Presenter: Kyle Walsh, NIEHS, Director Facilitators: John Onukwufor, URochester; Nadia Pack, UIC	Green Room CEC Speed Networking (closed) Facilitator: Kerry Butch, Rutgers	
	11:30AM-12:30PM	M&T Ballroom Enhancing Translational Environmental Health Research through Effective TRSC-CEC Collaboration (Panel Discussion) Panelists: Christopher Heaney, Johns Hopkins; Susan Korrick, Harvard; Melanie Pearson, Emory; HuiChen Wu, Columbia Facilitators: Jessie Buckley, UNC; Todd Everson, Emory		Green Room Career Development: NIH 101: How NIH works and who to talk to, when, about your grant applications Presenter: David Balshaw, NIEHS, Director Extramural Research Facilitators: John Onukwufor, URochester; Nadia Pack, UIC	Lynne LoveJoy Business Administrator Ice Breaker (closed) 11:30-12:00 Presenters: NIEHS Staff Facilitator: Rebecca Ruston, URochester
			Lynne LoveJoy History of NIEHS/RPPR (closed) 12:00-12:30 Presenter: Claudia Thompson, NIEHS Facilitator: Rebecca Ruston, URochester		
12:30PM-1:30PM	Bausch & Lomb LUNCH				
1:30PM-2:45PM	Auditorium Pilot Projects Catalyze New Translational Environmental Health Research Facilitators: Casey Wright, Gulfcoast; Stephanie Engel, UNC Chapel Hill			M&T Ballroom Unleashing the Power of Report-Back (Roundtable Discussion) Facilitators: Liam O'Fallon, NIEHS; Kathleen Gray, UNC Chapel Hill	
	1:30-1:45	Maya Nadimpalli	Environmental Drivers of Antimicrobial Resistance in the Infant Gut: Evidence from a Peruvian Birth Cohort		Emory University
	1:45-2:00	Snehajyoti Chatterjee	Spatial and Single-nuclei Transcriptomic Profiling Uncovers the Molecular Effects of the Neurotoxicant Polychlorinated Biphenyls (PCBs) in the Brains of Adult Mice		University of Iowa
	2:00-2:15	Didong Li	Quantifying Spatial and Temporal Rates of Change in Environmental Exposures		UNC Chapel Hill
	2:15-2:30	Kamil Khanapov	Nationwide Bioaerosol Metagenomic Repository for Environmental Health Research		Univ of Texas Medical Branch
	2:30-2:45	Gabrieille Liu	After the Smoke Clears: Wildfire Smoke Exposure and Persistent Asthma Attacks		UC Davis

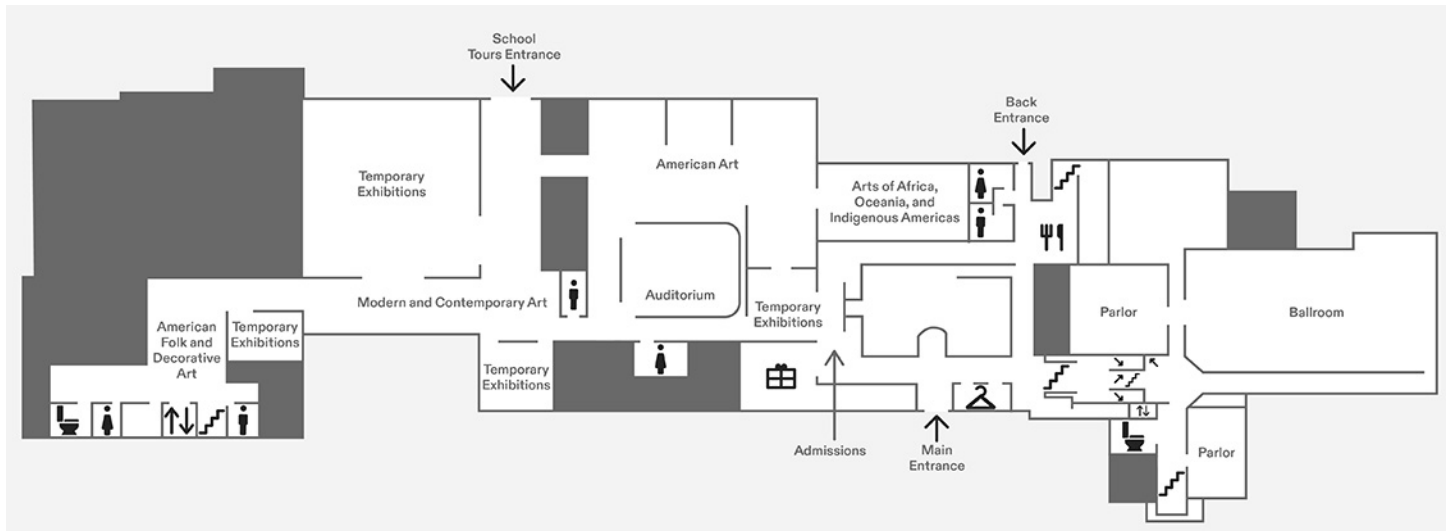

2:45PM-3:15PM	M&T Ballroom BREAK					
3:15PM-4:15PM	Auditorium Keynote Lecture: Conducting and Communicating Translational Toxicology Research: Challenges and Opportunities <i>Presenter: Heather Patisaul, NIEHS, Div Translational Toxicology</i> <i>Facilitator: B. Paige Lawrence, URochester</i>					
4:30PM-5:30PM	M&T Ballroom Communicating Complexity <i>Facilitators: Becca Lauzon, URochester; Diana Rohlman, OSU</i>				Bausch & Lomb Center Directors Meet with NIEHS Leadership (closed) <i>Facilitators: NIEHS Staff</i>	Lynne LoveJoy Interactive BA Workshop with Case Studies <i>Presenters: Michelle Campbell & Jenny Greer, NIEHS</i> <i>Facilitator: Jenn Kuklinski, UPenn</i>
	4:30-4:45	Diana Rohlman	The Known, The Unknown, and Everything in Between: Communicating Wildfire Smoke Risks During Pregnancy	OSU		
	4:45-5:00	Rashmi Joglekar	From Evidence to Action: Identifying and Translating the Reproductive Harms of Quaternary Ammonium Compounds	Stanford		
	5:00-5:30	Roundtable Discussion				
6:00PM-9:00PM	George Eastman House & Museum, 900 East Ave Reception/Networking (food and beverages provided) All meeting attendees are invited to this event. The venue is a 10-15 minute walk from the Memorial Art Gallery.					

Wednesday, September 16, 2026: Memorial Art Gallery						
7:30AM-9:00AM	Vanden Brul Pavilion BREAKFAST *For breakfast sessions, attendees will get their food and bring to assigned room. All other attendees will eat in the Pavilion or M&T Ballroom.					
	8:00-8:55	Bausch & Lomb Breakfast Session: Navigating the Changing Landscape in Scholarly Publishing <i>Facilitator: Joel Kaufman, EIC, Environmental Health Perspectives</i>			Lynne LoveJoy Breakfast Meeting: CEC Directors with NIEHS (closed) <i>Facilitators: NIEHS Staff</i>	
9:15AM-10:15AM	Auditorium Micro and Nano Plastics: Advances Connecting Exposure Measurements to Clinically Measurable Health Outcomes <i>Facilitators: Katie Zychowski, UNM; Emily Barrett, Rutgers</i>				Bausch & Lomb CEC Teams Discussion (closed) <i>Facilitators: Kathleen Gray, UNC Chapel Hill; Brandi Janssen, U Iowa</i>	Lynne LoveJoy Overview of New NIH Policies <i>Presenter: Jenny Greer, NIEHS</i> <i>Facilitator: Rose Phillips, U Iowa</i>
	9:15-9:30	Eliane El Hayek	Advancing Knowledge of the Impacts of Plastic Exposure on Human and Ecological Health Through Community-Driven Research	UNM		
	9:30-9:45	Genoa Warner	Sex-Specific Effects in Nanoplastic-Induced Placental Toxicity	NJIT/ Rutgers		
	9:45-10:00	Jacques Robert	Evaluating the Effects of Micro- and Nanoplastics on Development and Immunity in the Amphibian Xenopus	URochester		
	10:00-10:15	Hans-Joachim Lehmler	Airborne Micro- and Nanoplastics (MNPs) as Emerging Inhalation Hazards: Integrating Exposure Science, Toxicology, and Mechanistic Discovery	University of Iowa		
10:15AM-10:45AM	M&T Ballroom BREAK					
10:45AM-11:45AM	M&T Ballroom Microplastics Research (Roundtable Discussion) <i>Panelists: Eliane El Hayek, UNM; Genoa Warner, Rutgers; Jacques Robert, URochester; Hans-Joachim Lehmler, U Iowa</i> <i>Facilitators: Katie Zychowski, UNM; Katrina Korfmacher, URochester</i>		Bausch & Lomb Concurrent Engagement Topics Roundtable Discussions <i>Coordinator: Lisa Hayward, U WA</i> Evaluating Community-Academic Partnerships <i>Facilitators: Erin Lebow-Skelley, Emory; Taylor Vogel, OSU; Sofia Curdumi Pendley, Mt. Sinai; Amy J. Schulz, U Michigan</i> Engagement with Community Members Regarding PFAS <i>Facilitators: Sofia Forier-Montes, U AZ; Paloma Beamer, U AZ; Katy May, NCSU</i>			Lynne LoveJoy How to Submit: Human Subjects Research <i>10:45 – 11:15</i> <i>Presenter: Sarah Unninayar, Harvard University</i> <i>Facilitator: Michelle Campbell, NIEHS</i>
				Lynne LoveJoy Publications: From Start to Finish <i>11:15 – 11:45</i> <i>Presenter: Shawn Tucker, OSU</i>		
11:45AM-12:15PM	1913 Steps (outside MAG) GROUP PHOTO yes, everyone!					
12:15PM-1:15PM	M&T Ballroom LUNCH *For lunch sessions, attendees will get their food and bring to assigned room. All other attendees will eat in the M&T Ballroom.					
	12:30-1:10	Bausch & Lomb Career Development Workshop (Roundtable Discussion) <i>Facilitators: Rebecca Simmons, UPenn; Matt Rand, URochester</i>			Lynne LoveJoy TRSC Leaders Lunch (Open Discussion)	

1:15PM-2:15PM	Auditorium Health Effects of PFAS: What We Know and Key Knowledge Gaps <i>Facilitators: Jamie DeWitt, OSU; Todd Jusko, UROchester</i>				Concurrent Engagement Topics Roundtable Discussions <i>Coordinator: Lisa Hayward, U WA</i>	
	1:15-1:35	Jackie Goodrich	PFAS and Epigenetics: Insights from Newborns and Firefighters	University of Southern California	Bausch & Lomb Engaging Communities Around Data Center Health Impacts <i>Facilitators: Marilyn Howarth and Adrian Wood, UPenn</i>	
	1:35-1:55	Ana Maretti Garcia	Advancing Human-Relevant PFAS Risk Assessment Using 3D Liver Spheroids and Multi-Omic Approaches	University of Michigan	Lynne LoveJoy Housing, Extreme Weather and Health <i>Facilitators: Stacy Stanifer & Kelly Kennoy, U Kentucky; Luz Huntington-Moskos, U Louisville</i>	
	1:55-2:15	Matt Cave	Leveraging NIEHS P30/P42 Collaborations to Develop and Lead New Interagency PFAS Research in US Veterans - Health Effects to Therapy	University of Louisville		
2:15PM-2:45PM	M&T Ballroom BREAK					
2:45PM-4:00PM	Auditorium Scientific Problems Related to PFAS, New Approaches, and Community Concerns <i>Facilitators: Martha Susiarjo, UROchester; Matthew Perzanowski, Columbia University</i>				Green Room CEC Emerging Topics <i>Facilitators: Erin Lebow-Skelley, Emory; Marilyn Howarth, U Penn</i>	Lynne LoveJoy Creating a Manual 2:45-3:30 <i>Presenters: Sarah Unninayar, Harvard; Nadia Pack, UIC</i>
	2:45-3:00	Sue Fenton	PFAS, Policies, & Progress: Assessing health effects in generations with developmental exposures	NC State University		Lynne LoveJoy Human Subjects Parking Lot Questions 3:30-4:00 <i>Presenter: Michelle Campbell, NIEHS</i>
	3:00-3:15	Lida Chatzi	Per- and Polyfluoroalkyl Substances in Human Milk: Associations with Milk Composition, the Infant Gut Microbiome, and Early Neurodevelopment	USC		
	3:15-4:00	Moderated Discussions				
4:00PM-4:30PM	Vanden Brul Pavilion and M&T Ballroom Poster Set-Up					
4:30PM-6:30PM	Vanden Brul Pavilion and M&T Ballroom Poster Session with Networking & Refreshments					
7:15PM-9:30PM	Radio Social, 20 Carlson Rd., Rochester, NY 14610, EHSCC DR2 Social <i>Please RSVP your attendance to betsy.eagin@nih.gov by September 14th, so we can get a proper headcount (no fees or registration needed).</i>					

Thursday, September 17, 2026: Memorial Art Gallery				
7:30AM-9:00AM	Vanden Brul Pavilion BREAKFAST *For breakfast sessions, attendees will get their food and bring to assigned room. All other attendees will eat in the Pavilion or M&T Ballroom.			
	8:00-9:00	Bausch & Lomb Breakfast Session: CEC Mentoring <i>Facilitators: Amy J. Schulz, U Michigan; Luz Huntington-Moskos, U Louisville</i>	Lynne LoveJoy Breakfast Session: Administration Deep Dive-Discussing What Actually Works <i>Presenter: Rebecca Ruston, URochester</i>	
9:00AM-10:15AM	M&T Ballroom Disaster Research and Community Engagement <i>Facilitators: Emily Barrett, Rutgers; Melanie Pearson, Emory</i>			
	9:00-9:10	Aubrey Miller	NIH Disaster Research Response and the Health and Extreme Weather Programs: Advancing Research, Resources, Training, and Collaborations	NIEHS
	9:10-9:20	Abi Oluyomi	Addressing Institutional and Community Barriers to the Development and Implementation of Community-Engaged Research through Competency-Based Training	Baylor College of Medicine, UTMB, UT Health
	9:20-9:30	Luz Huntington Moskos	Living with Industry: Community-Engaged Environmental Health in a Rural Chemical Corridor	University of Louisville
	9:30-9:40	Erin Haynes	PFAS near Hazardous Waste Incinerator in East Liverpool, Ohio	University of Kentucky
	9:40-10:15	Panel Discussion		
	Bausch & Lomb Integrating Datasets and Electronic Health Records Data-Research to Action <i>Facilitators: Hollie Swanson, U Kentucky; Heyreoun An Han, Baylor</i>			
	9:05–9:20	Maayan Yitsaak Sade	Leveraging LLMs to Improve Outcome Phenotyping in EHR-based Environmental Health Research	Icahn Mount Sinai School of Medicine
	9:20-9:35	Melissa Troester	Investigating Environmental Exposures & Human Health Connections: Educational Activities for Showcasing Omics Technologies in Biomedical Research	UNC Chapel Hill
	9:35-9:50	Aric Schadler	Leveraging Electronic Medical Data to Advance Environmental Research Studies and Pediatric Care: An Institutional Experience	University of Kentucky
	9:45-10:15	Discussion		
	Lynne LoveJoy Business Administrators Wrap Up and Future Plans <i>Facilitator: Rose Branstrom, U Michigan</i>			
10:15AM-10:45AM	Vanden Brul Pavilion BREAK			
10:45AM-11:45AM	Auditorium Keynote Presentation: Looking Ahead: Perspectives from NIEHS Leadership <i>Presenter: Kyle Walsh, NIEHS Director</i> <i>Facilitator: Martha Susiarjo, URochester</i>			
11:45AM-12:00PM	Auditorium Wrap Up, B. Paige Lawrence, URochester and Claudia Thompson, NIEHS			
12:00PM-12:15PM	Auditorium Pass the Torch & Adjourn, Claudia Thompson, NIEHS			
12:30PM-1:30PM	M&T Ballroom LUNCH (<i>grab & go; option to stay and chat</i>)
