**Family Physician Assessment - Health Care Transition for Youth with
Special Health Care Needs
Six Minute Survey -<https://www.surveymonkey.com/r/XFLNDPD>
(<https://tinyurl.com/msvtjtce>)**

We are asking for your assistance and provide your feedback on the medical care provided to adolescent and young adult patients in Georgia. We partner with the Georgia Department of Public Health to annually assess knowledge and implementation of Georgia-related services for adolescent children with special needs

Your feedback is appreciated and will assist our efforts in advancing the health care services available to this population. The first 30 members who complete this six-minute survey will receive a \$25 Amazon gift card.
