

Join Your Colleagues – Back In-Person – Family Medicine Magic 2022

Hands-On Workshop / Ted Talks /Magic Moments Dinner/Travel Support

Saturday, March 12, 2022 – Limited Availability

- **Step beyond the classroom** and explore what family medicine is all about. Discover the scope of practice through workshops, Main Stage “Ted Talk” sessions, and discussions.
- **Invigorate your eagerness** to practice in the family medicine specialty. Hone procedural skills, visit with residency programs, and influence AAFP policy.
- **Get inspiration you need** to transition into residency and network with family medicine residents going through their training.

You are invited to attend the Georgia Academy of Family Physicians’ (GAFP) March Committee Conclave and Student Meeting on March 12, 2022.

For your participation, the GAFP will offer the first 27 medical students who sign up to attend our Magical Moments of Family Medicine Workshop and Residency Fair, one-night lodging at the Legacy Lodge at Lake Lanier and \$75.00 to offset transportation costs.

M-1’s and M-2’s will have first access to register for this meeting. If more than 27 medical students apply, attendance will be on a first come first served basis. A wait list will be created to accommodate as many students as possible. To receive the travel stipend, medical students must attend the entire meeting which includes the afternoon residency fair and dinner with family physician leaders.

All medical students are invited to the residency fair and reception, if unable to attend the full day of programs.

Preliminary schedule is listed.
