

**Free Registration for Virtual Advocacy Night
Wednesday, March 9 – 6:00 pm – 7:30 pm**

With the State Capitol still under COVID spacing protocols (including not allowing large groups to enter the building) our regular Day at the Capitol has been switched to an evening for all!

- Learn from Georgia Reporters who Cover Breaking News at the State Capitol on Health Care / Restricting / and the Upcoming Elections
- Hear from Physicians who Serve in the Georgia General Assembly
- Get Updates from the Georgia Academy (and other key physician groups) on our legislative priorities.

This evening will inform and advance our priorities, and we encourage everyone to register for this event. [Click here](#) to register for the Wednesday, March 9 Advocacy Event.

This event is in collaboration with members of the Patient Centered Physicians Coalition of Georgia: Georgia Academy of Family Physicians, Georgia OB-Gyn Society, Georgia Chapter – American Academy of Pediatrics, Georgia Chapter – American College of Physicians and Georgia Osteopathic Medical Association.
