

Georgia Healthy Family Alliance Needs YOU!
Support a Tar Wars Classroom – starts at only \$250
Or fulfill a need with a GHFA community health grant – starts at \$1,000

As one of our valuable members, you know the causes your foundation works across the state fighting for the health of Georgia's citizens. From our award-winning community health grants, to the Tar Wars program and ending the child vaping through our Strike Force communities, we are with you on the forefront.

Your contributions have helped the Georgia Healthy Family Alliance continue to be a critical resource for Georgians. Thanks to the support and generosity of family physicians like you, Georgia Healthy Family Alliance (GHFA) has 10 years of Community Health Grant Awards. I am proud to announce that this year we reached the milestone of 100 GAFF member-sponsored healthcare grants awarded totaling nearly \$500,000 to help throughout Georgia through the Community Health Grants program!

Community Grant in Action: Dr. Andrea Videlefsky, at her Adult Disability Medical Healthcare Clinic, hosted a drive-by COVID vaccine clinic for their patients!

In addition to our Community Health Grants program, we also gave immediate needs grants to Georgians in crisis during the pandemic.

The Alliance is also one of the leading organizations in the fight against youth smoking and vaping in Georgia. We have continued to grow and expand our Tar Wars program at a pivotal time when youth vaping has reached epidemic levels.

You are helping us touch the lives of thousands - whether individuals are facing an urgent need, a devastating disease, or simply seeking to improve their quality of life. Your gift is extremely important because it offers immediate resources that are directed to current needs in our communities.

Dr. Wayne Hoffman & Thomas Torrey
Dr. Theresa Jacobs
Dr. Kevin & Connie Johnson

Noah Self (C) a fifth grader from Yargo Elementary School in Winder placed third in the Statewide Tar Wars poster competition. Noah's family joined him to accept his certificate and gift card prize.

Show your support by claiming a **Tar Wars classroom** with a donation of only **\$250 per classroom**.

Donate \$1,000 to fund a community health grant? This will help make an immediate impact on urgently needed education, outreach and health services around our state.

On behalf of the GHFA Board of Trustees, staff and those we serve, I thank you for your generous partnership and support. If you'd like, you can make your gift in honor or in memory of someone meaningful to you.

Any gift you choose to give can be made as a one-time donation, or a multi-year pledge. I appreciate your consideration of a tax-deductible, end of year gift, at a level most meaningful to you.

If you'd like more information about our projects or giving levels, please contact Alesa McArthur, Kara Sinkule or Fay Fulton at 404-321-7445 www.georgiahealthyfamilyalliance.org.

Thank you so much for your help!
Sincerely,

Eddie Richardson, Jr., MD, FAFP
President, GHFA Board of Trustees

Yes! I will help Tar Wars by donating **\$250** to pay for a classroom!

Yes! I will help GHFA by donating **\$1,000** to assist in meeting the healthcare needs of my community through a community health grant!
