Re: Request to Attend the SC//Platform™ 2027 Summit

From:

Dear _____,

I'm requesting approval to attend the SC//Platform™ 2027 Summit, on April 20-22, 2027, at Resorts World Las Vegas. The Summit will provide an opportunity to strengthen my technical knowledge, learn from real-world use cases, and bring back practical strategies that can support our organization's IT priorities.

At the Summit, I will:

- Gain practical insights into modernizing distributed environments, strengthening resilience and business continuity, enabling secure connectivity, and applying AI and automation to IT operations.
- Learn from industry experts, technology leaders, and real-world use cases to identify strategies I can apply within my organization.
- Connect with peers, partners, and technology professionals to exchange ideas, best practices, and solutions to shared IT challenges.
- Participate in hands-on technical training and certification opportunities to strengthen my skills and product expertise.
- Explore new approaches to simplifying infrastructure and operations, reducing downtime, strengthening security, and managing distributed environments more effectively.

Registering now secures the early bird rate of \$ _____.

Estimated Expenses:

- Registration: \$ _____ . (includes technical certification)
- Airfare: \$ _____
- Hotel: \$260.77/night (all-inclusive)
- T&E: \$ _____

- **Total:** \$

To maximize the value of attending, I will share key takeaways, relevant resources, and actionable recommendations with our team after the Summit. I'll also identify opportunities where what I learned could help us improve operations, strengthen our infrastructure, or address current and future IT priorities.

Thank you for considering my request. I believe the knowledge, technical training, and connections I gain at the SC//Platform™ 2027 Summit will provide value beyond the event itself, and I look forward to bringing those insights back to the team.

Sincerely,
