Elevate Your Brand as a Sponsor of the
ARMI Investment Summit
www.armiusa.org/initiatives/biofab-startup-lab/

ARMI Investment Summit

Hosted by ARMI in partnership with the NextGen Manchester Resiliency Council, the Investment Summit brings together emerging companies, investors, manufacturers, commercialization experts, and strategic partners to accelerate the path from breakthrough technology to scalable manufacturing and commercialization. The Summit also highlights ARMI's Startup Lab accelerator program and its role in helping companies access the expertise, partnerships, manufacturing capabilities, and capital needed to grow.

Why Sponsor

- Position your organization at the intersection of innovation, manufacturing, commercialization, and investment.
- Engage directly with investment-ready startups
- Gain visibility with industry leaders, investors, and federal partners
- Demonstrate your organization's commitment to advancing America's biomedical manufacturing capabilities.
- Access curated networking, speaking opportunities, and brand alignment

Attendee Profile - *Who You'll Meet:*

- Startup founders and entrepreneurs
- Companies advancing next-generation biotherapeutics and related technologies
- Angel investors and venture capital firms
- Strategic industry and pharmaceutical partners
- Commercialization experts and advisors
- Manufacturers and supply chain partners

2026 Highlights

- Regional Innovation Opening
- Investor Panel
- Founder Success Stories
- BioFab Startup Lab Pitch Competition
- Invitation-Only Investor Dinner
- Networking with commercialization leaders
