

Our Commitment to your Safety

Cleaning & Hygiene

- We will undertake enhanced cleaning before and during our events, working with our venue partners to attain the highest standards of cleanliness.
- We will provide face masks, hand sanitizing stations, personal sanitizing materials, contactless registration, and encourage all participants to regularly wash and disinfect their hands.

Physical Distancing

- We request participants avoid physical contact, such as handshakes and embraces. The exchange of printed materials is discouraged with digital alternatives recommended.
- We will maintain a density of participants in line with local jurisdiction guidelines.

Protection

- Participants are asked to wear a face mask if not fully vaccinated and follow any updated local authority/health department guidelines regarding PPE
- Participants are asked not to attend if feeling unwell and participate virtually

We will continue to monitor government guidance to ensure the health and safety of all.
