Enrolling with Avis Instructions
Association Members 2017

Have your driver’s license and credit card handy. If you already have a profile with Avis just add the Kellen Avis Worldwide Discount (AWD) #D619101 to your existing account to receive the rates and benefits negotiated by Kellen. Association members have the same great rates & benefits, but negotiated insurance is not included.

Your profile will be automatically connected to the Kellen program when you create your profile using the link below. Vehicles can be rented without creating a personal profile; however, if you do not create a profile you will need to enter the Kellen AWD #D619101 for every rental and the benefit of skipping the counter will not be available.

By enrolling for an Avis Preferred Wizard profile you will be able to skip the rental counter lines and take the preferred route to more benefits. Earn Avis Preferred Points for every journey by opting into the Loyalty Program.

Instructions:

Visit https://www.avis.com/car-rental/profile/go.ac?D619101

Click the “Enroll Now” button
In the dropdown box for “wizard number*” choose the option “I do not have an Avis Wizard Number” and click the Continue button.

Accept the Terms & Conditions
Enter personal and payment information. Complete all of the required fields. When complete click “CONTINUE”. Choose insurance coverages as necessary to meet your business or personal needs. Note: the Kellen AWD Number is automatically added.
