

For over 71 years, Disneyland Resort has created memories for families around the world and made a meaningful impact right here in Anaheim.

Discover 6 WAYS

Disneyland Resort is woven into the fabric of Anaheim.

1 It's More Than Just a Job

Since 1955, generations of Anaheim residents have worked at Disneyland Resort. Today, 5,700 Anaheim residents wear the name tag — and 600 of them are advancing their education through Disney Aspire.

2 Opening Doors for Anaheim Students

Disneyland Resort helps prepare 400 local students annually for future careers through mentorship and skills programs with the Anaheim Union High School District and other organizations. In 2025, cast members also donated more than 68,000 school supplies for Anaheim elementary schools.

3 Supporting Local Families

In 2025, the resort fulfilled nearly 700 wishes for children with critical illnesses through Make-A-Wish, hosted the CHOC Walk in the Park, raising over $3 million for Rady Children's Health Orange County and donated 26,830 toys to children in need.

4 Homegrown Partnerships

Disneyland Resort has long established local vendor relationships with hundreds of Anaheim businesses — including some that are small and family-owned, each with their own unique Anaheim story.

5 Supporting City Services

The Anaheim Resort Area generated $303 million in tax revenue for the City of Anaheim, representing 63% of Anaheim's general fund that supports services including police, fire, parks and street maintenance.

6 Helping Make Housing Affordable

Disneyland Resort is committed to supporting affordable housing in Anaheim including, a $30 million contribution as part of our DisneylandForward agreement, and a $3 million annual commitment, made possible by all resort area hotels, including Disneyland Resort, and funded by a portion of Anaheim Tourism Improvement District Funds.
