

CONFERENCE CENTRE KONINGSHOF

EINDHOVEN · THE NETHERLANDS

Location

The NH Eindhoven Conference Centre Koningshof is the largest conference hotel in the Benelux region. It is conveniently located yet nestled charmingly in the countryside. This makes it an ideal starting point for business travellers from around the world. Its proximity to both the A67 and A2 motorways and the airport means the hotel boasts outstanding access to cities like Antwerp, Amsterdam and Maastricht.

A bus stop immediately in front of the hotel ensures a quick connection to Eindhoven – the 'Silicon Valley of Europe'. Guests from around the world appreciate not only the hotel's excellent accessibility, but also its proximity to the Brabantse Kempen national park, perfect for invigorating walks and hikes – and for experiencing the renowned Brabant hospitality.

And the hotel's architecture is just as impressive: its previous incarnation as a monastery building can still be seen in many places, blending harmoniously into the modern design.

Our hotel is committed to sustainability and has been awarded Green Key and Bioscore certification.

Your location for unforgettable Events

The dimensions of the facilities available for your business events are far from their only impressive feature; the interior architecture and furnishings of the individual halls and foyers are also remarkable, lending your events a distinctive character.

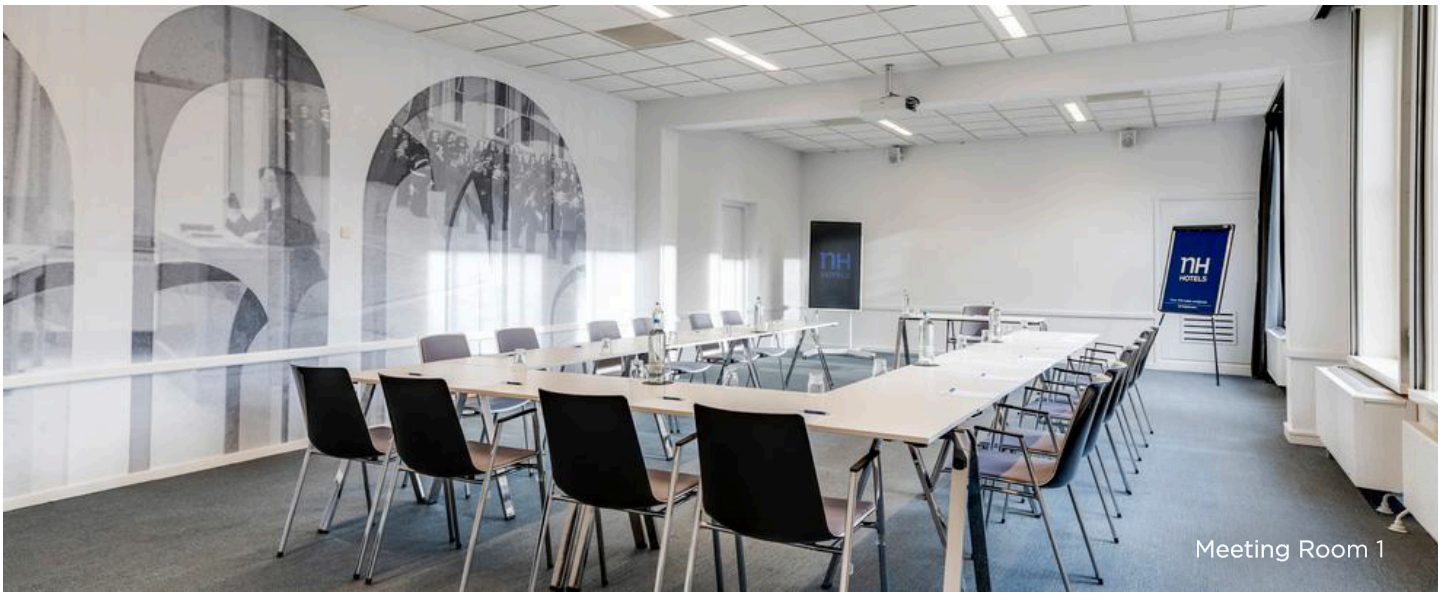

The former monastery chapel now houses the Brabantzaal, whose impressive stained-glass windows bring the space's past to life.

With a large stage and 260 seats, the auditorium is suitable for both concerts and for meetings or presentations.

And the 4 large conference rooms – the Beneluxzaal, the Kempenzaal, the Genderzaal and the Diezezaal – boast a total area of 4,500 m^2, are accessible by car, and can be used individually or together – for your own exhibition, for example.
