

*Scottsdale Diamonds
of the Desert*

Celebrate a Milestone with Us!

Join the Scottsdale Diamonds of the Desert in marking a significant chapter in our journey—we will proudly become the 49th Chapter of The Girl Friends, Inc.! To commemorate this special occasion, we are thrilled to announce the creation of our inaugural souvenir journal. This digital keepsake will not only celebrate our chapter's milestone but also showcase support from our community and friends through dedicated space purchases.

Be part of history by reserving your space in our eco-friendly, electronically distributed journal. Whether you're highlighting your business, congratulating the chapter, or simply sending greetings, your contribution will be immortalized in our celebratory compilation. Let's make this a memorable launch as we develop new friendships at the Oasis of the Desert.

Reserve Your Space Today!
