

THE
TIMES SQUARE
EDITION®

701 WEST

For larger and refined corporate gatherings, 701West is available in its entirety. Opulent jewel tones stand out against rich mahogany walls and marble mosaic floors, evoking the atmosphere of a classic social club. Centered in the salon sits a custom circular bar, designed for ease of service and connection. From there, the venue flows into a versatile reception space — the ideal atmosphere for executive dinners, corporate meetings, and team celebrations. The reception space opens to an expansive patio overlooking Times Square, showcasing our position in the center of New York's most iconic neighborhood.
