

The background image shows a modern interior space with a dark, textured wall. Vertical metal rods of varying heights are attached to the wall, some with small, clear, teardrop-shaped light fixtures hanging from them. In the foreground, there are three rectangular tables with a metallic, brushed-brass finish. Each table has a small vase with pink flowers and a small bowl of green fruit. The overall aesthetic is industrial and contemporary.

DINING – LITTLE FIB

Little Fib is an American Retro restaurant that gives a nod to the rich history of Nashville through music, food and drink.

We pay homage to the classics by focusing on inspiration from the past and finding new ways to make them fresh.

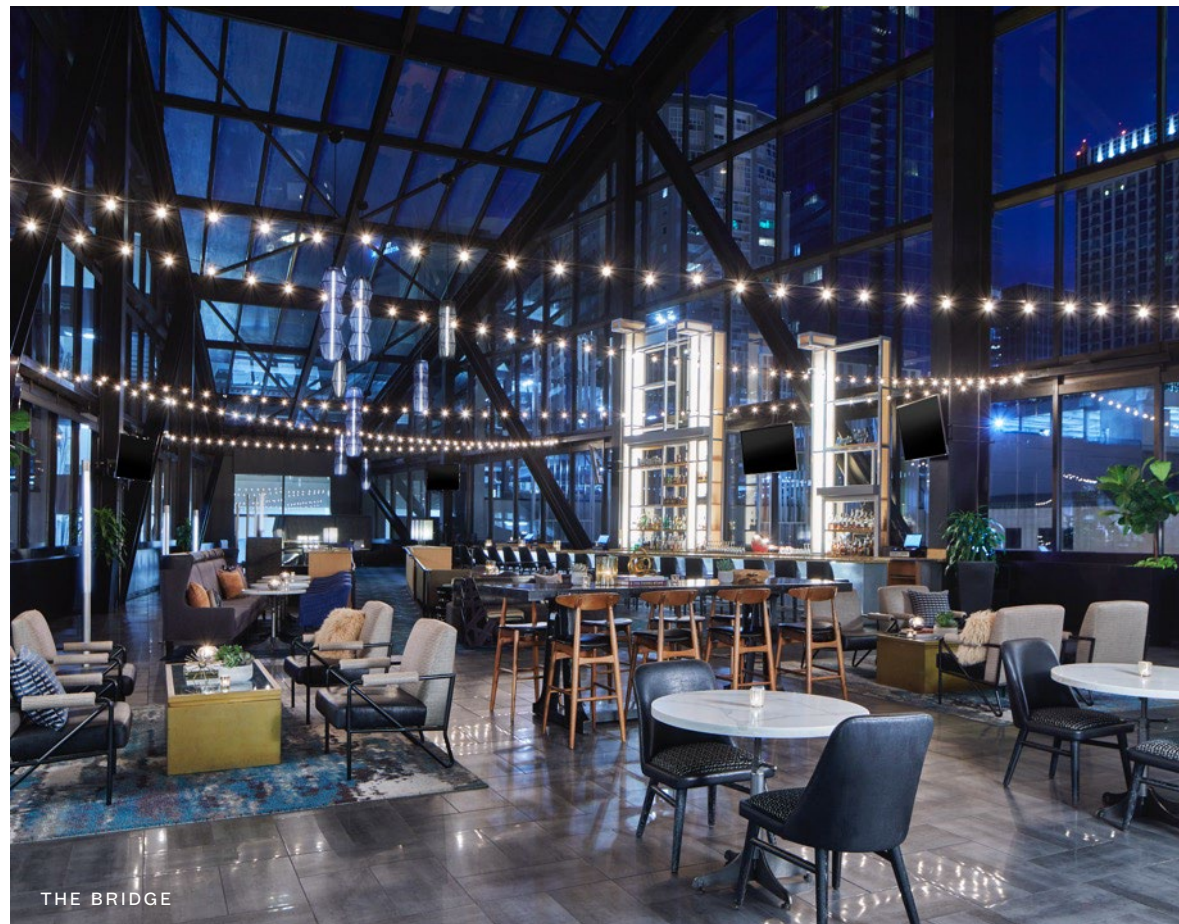

DINING – THE BRIDGE

The Bridge is one of the most unique downtown bars with live music. In Nashville, music is the heart and soul of the city. It is the common thread that brings us together to discover, experience and celebrate. At The Bridge, you'll experience all the entertainment the Music City is famous for and enjoy an adventure you will never forget.

FIVE CHORDS MERCANTILE

Five Chords Mercantile provides a 24/7 solution for those looking for casual and quick options.

Here you'll enjoy artisanal items from local purveyors and innovative, chef-crafted meals featuring seasonal ingredients perfect for breakfast, lunch or dinner.

Also, "We Proudly Serve" Starbucks products, a wide array of gourmet and local snacks, and a selection of local beer and wine.
