The Infant Mortality Summit supports implementation of the Collaborative Improvement and Innovation Network (CoIIN) and state infant mortality plans. We will:

1. **Collaboratively share successes and challenges of state efforts to date;**
2. **Discuss current understanding of effective infant mortality reduction strategies;**
3. **Develop and refine state plans to reduce infant mortality and identify opportunities to leverage existing state and federal resources;**
4. **Build knowledge and capacity in quality improvement and collaborative learning;**
5. **Identify technical assistance needs and develop approaches for responding to these needs;** and
6. **Describe organizational framework for collaboration after summit.**

11:30 – 12:30 Using improvement methodology to tackle public health issues: the role of driver diagrams [Obj 2, 4]

12:30 – 1:30 Lunch with your teams

1:30 – 2:15 Connecting the dots: Linking epidemiology, priority topic areas and potential evidence based approaches [Obj 2]
   - Map primary areas contributing to IM to potential evidence based approaches
   - 2-3 State examples

2:15 – 2:30 Introduction of Teamwork Activity

2:30 – 4:00 Team Time 1 [Obj 2, 3, 5]
   - State teams review their infant mortality plans
   - Identify possible priority topic areas and evidence based strategies/approaches to address them
   - Begin to identify TA needs
   - State teams meet for first 60 minutes, followed by regional discussion to identify emerging common themes across the region.

4:00 – 4:30 State Team/Regional Report Out [Obj 1]

4:30 – 5:00 Closing: Bringing it Home with a Family Perspective

Day 2

   - Reflections of Day 1
   - Setting the stage for Day 2

8:15 – 8:30 Community Story [Obj 1]

8:30 – 9:15 Panel Discussion: Improving Health Equity related to Birth Outcomes [Obj 1, 2]
   - Examples of how states have addressed social determinants of health in CoIN and other IM reduction work

   - Swarm Connectivity - CoIN

9:45 – 10:15 Application of Innovations to Address Infant Mortality [Obj 1, 4]
   - Idealized Design and its application in Cincinnati

10:15 – 10:30 Setting the stage for team work on innovation: connecting what teams have learned with next phase of work.
10:30 – 10:45 Break and transition to team time

10:45 – 12:15 Team time 2 [Obj 3, 4, 5]
- Reflect on information learned on Day 1 and its relation to state/regional plans
- Further discussion of possible priority areas and strategies to address them
- Continue to identify TA needs to prepare for upcoming TA session
- Identify potential opportunities for including innovation

12:15 – 1:15 Community of Practice Lunch [Obj 1]

1:15 – 1:30 Report Out and Introduction of TA Breakouts and Introduce Team Time 3

1:30 – 2:30 Technical Assistance Breakout Sessions [Obj 1, 5]
*All sessions include a brief overview of the topic followed by question and answer period with TA faculty. State teams can send members to different sessions and share with each other later.*
- Innovation
- Building QI Capacity in public health and clinical settings
- Integrating the family/community voice into state and local level IM efforts
- Addressing Social Determinants to Reduce Infant Mortality
- Promoting Improved Birth Outcomes through Policy and Practice Change
- Innovative use of existing federal and state funding: Title V, home visiting, WIC, Healthy Start, injury prevention and others

2:30 – 3:45 Team Time 3 [Obj 3, 4, 5]
- Integrate learnings into enhancing state infant mortality plan and selection of CoIIN priority area; share info gained in TA breakout sessions; identify TA needs

4:00 – 4:45 State/Regional Report Out, Summary and Next Steps [Obj 1, 6]
- 3-4 region report out of selected priority topic areas and associated evidence-based or promising approaches OR report out on identified TA areas, possible opportunities for innovation
- Include discussion of organizational framework for post-summit
- Describe roles, expectations for state teams, partners, conveners

4:45 – 5:15 Closing – Back at Home: Driving Forward, Achieving Results
- Synthesis of accomplishments of summit
- How to keep the work moving when competing priorities interfere – how to maintain momentum
- Parting thoughts
