

PHILIPS

EVOLVE

Excellence in Valve and Lead Management
September 2026 | Schiphol and Best, the Netherlands

Welcome

This multidisciplinary program brings together structural heart specialists and lead extractors to strengthen collaboration in **Heart Rhythm Management**.

Through interactive discussions, hands-on experiences, and case sharing at the Philips Customer Experience Center, EVOLVE aims to support aligned decision-making, earlier collaboration, and improved patient pathways across specialties.

Objectives

- Experience the role of advanced imaging in heart rhythm management procedures through hands-on sessions
- Engage with peers to exchange clinical insights, experiences and best practices
- Strengthen heart team collaboration across specialties
- Discover the value of an integrated ecosystem at the Philips Customer Experience Center

Venue

Hilton (Schiphol, the Netherlands) and Philips Campus (Best, the Netherlands)
