THE **Vision** FOR DENVER RIGHT IS:

- **EQUITABLE, AFFORDABLE AND INCLUSIVE**
- **ECONOMICALLY DIVERSE AND VIBRANT**
- **STRONG AND AUTHENTIC NEIGHBORHOODS**
- **WELL CONNECTED, SAFE AND ACCESSIBLE PLACES**
- **HEALTHY AND ACTIVE**
- **ENVIRONMENTALLY RESILIENT**
Platte to Park Hill: Stormwater Systems is taking a comprehensive approach to better protecting people and property against flooding while improving water quality and enhancing public spaces.

Program Goals
- increase neighborhood connectivity
- improve water quality
- add new park and recreation spaces
- provide critical flood protection
GAME PLAN

The updated Game Plan recommends improving Denver's green spaces and recreational facilities, along with associated programming, in five key ways:

Five Pillars form the foundation for a Healthy City

- **GROW**
  - the Park System and Recreational Access

- **ADAPT**
  - to the Changing Climate and Limited Resources

- **REINVEST**
  - in Denver's Parks and Recreation Resources and People

- **DIVERSIFY**
  - Parks and Recreation Services

- **CONNECT**
  - to Denver's Nature and Culture
Thank you!
City of Grand Rapids
Mayor, Rosalynn Bliss

Park Improvements
Huff Park Playground - Before
Ottawa Hills Park - Before
This garden protects Plaster Creek by catching and filtering stormwater. The plants and soil soak up rainwater, filtering out pollutants and sediment.

Native plants like the ones in this garden have deep roots that break up the soil, helping rainwater to soak into the ground instead of running over land into the creek. They also provide valuable habitat for birds and insects.
