

2024 DHITS		Tuesday, August 20, 2024 - Schedule Overview						
Plenary Sessions - Landmark Ballroom								
8:00 - 9:00	Plenary - Opening Remarks			Mr. Pat Flanders, Program Executive Officer, Medical Systems / Chief Information Officer (J-6)				
9:00 - 9:45	Plenary			Honorable (Dr.) Lester Martínez-López, Assistant Secretary of Defense for Health Affairs				
9:45 - 10:15	30 Minute Break							
10:15 - 11:00	Plenary			LTG Telita Crosland, Director, Defense Health Agency				
11:00 - 12:15	Roundtable			Service Leadership Roundtable				
12:15 - 1:15	1 Hour Lunch							
1:15 - 1:45	Plenary			Dr. Michael Malanoski, Deputy Director, Defense Health Agency				
1:45 - 2:15	Plenary			Ms. Kathleen Berst, Acting Assistant Director Support/Component Acquisition Executive				
2:15 - 2:30	15 Minute Break							
Breakout Sessions								
	Track #1	Track #2	Track #3	Track #4	Track #5	Track #6	Track #7	Track #8
	Cybersecurity	CIO	Enterprise Standardization	Innovation	Data Analytics	Health Informatics	Operational Medicine	Repeat
	Reunion F	Pegasus Ballroom	Reunion E	Reunion GH	Reunion BC	Reunion A	Cumberland IJKL	Cumberland EFGH
2:30 - 3:30	DHA's Implementation of DoD's Cyber Workforce	Synergizing Technology and Medicine: A Strategic Alliance	Enterprise Medical Device Life Cycle Manager Forum	MHS Digital Front Door: Transforming Healthcare Delivery	Interface Development within the MHS Information Portal	The Unknown Queue - Compounded Scheduling Requests	Re-imagining Software Delivery with the Services	Cybersecurity Health and Readiness Inspection Program
3:30 - 4:00	15 Minute Break							
4:00 - 5:00	Cyber Threat Environment for DHA	DHA MED365 SharePoint Online Way Forward	DHA MHS Enterprise IT Services - A Look Ahead	DHA Azure Virtual Desktop - I See Your BYOD	Where is Your Data? Intro to the MHS Information Platform	MHS GENESIS: State of the Union	Operational Medicine Data Solutions Panel Discussion	Chief Information Officer Lifeline
	Exhibit Area Closes at 5:00							

Note: Highlighted sessions are repeated

BLOCK #1 BREAKOUT SESSIONS 2:30 - 3:30							
Cybersecurity	CIO	Enterprise Standardization	Innovation	Data Analytics	Health Informatics	Operational Medicine	Repeat
Reunion F	Pegasus Ballroom	Reunion E	Reunion GH	Reunion BC	Reunion A	Cumberland IJKL	Cumberland EFGH
DHA's Implementation of DoD's Cyber Workforce Ms. Robin Spencer, Chief, Cybersecurity Policy and Business Operations, Risk Management Executive Division, Program Executive Office, Medical Systems (J-6) Mr. Jason Franklin, Deputy, Cybersecurity Policy and Business Operations, Risk Management Executive Division, Program Executive Office, Medical Systems (J-6)	Synergizing Technology and Medicine: A Strategic Alliance COL Chani Cordero, Chief Information Officer, Brooke Army Medical Center LTC Victoria Sullivan, Chief Medical Information Officer, Brooke Army Medical Center	Enterprise Medical Device Life Cycle Manager Forum Mr. Faaruwq Muhammad, Deputy Chief, Medical Device Integration Office, DHA Health Informatics MSgt Steven Morris, Senior Enlisted Leader Continental U.S. Project Manager, Program Executive Office, Medical Systems (J-6) Mr. Christopher Newcomer, System Solutions Hardware/Medical Device Integration Lifecycle Management Lead, Program Executive Office, Defense Healthcare Management Systems Mr. Heath Brunson, Chief, Medical Device and Equipment Sustainment, DHA Medical Logistics	MHS Digital Front Door: Transforming Healthcare Delivery Ms. Naomi Escoffery, Chief Accelerator Officer, Innovation Program Manager, DHA Col Christina Sheets, Program Manager, DoD Healthcare Management System Modernization, Program Executive Office, Defense Healthcare Management	Interface Development within the MHS Information Portal Mr. Michael Bromley, Executive Information Decision Support Chief Engineer, Program Executive Office, Defense Healthcare Management Systems Mr. John Dempsey, Director, Partner Integration, Technology Office, Federal Electronic Health Record Modernization Mr. Jesse Stewart, Executive Information Decision Health Surveillance Lead, Enterprise Intelligence & Data Solutions, Program Executive Office, Defense Healthcare Management Systems	The Unknown Queue - Compounded Scheduling Requests Dr. James Abbott, Chief, Technology Management Integration, DHA Health Informatics Dr. David Alt, Branch Chief, Data Support, DHA Health Informatics Lt Col Bill Frechette, Branch Chief, Business Support, DHA Health Informatics Dr. Robert Koski, Solution Owner, Data Support, DHA Health Informatics	Re-imagining Software Delivery with the Services Mr. Ken Johns, Deputy Program Manager, Joint Operation Medical Information System Ms. Justice Sakyi, Chief Technology Officer, Air Force Operational Medicine Information Systems Mr. Steven Reichard, Director, Operational Medicine Information Systems – Army Shawn Belcher, Defense Health Readiness Engineering Integrated Product Team Lead, Naval Information Warfare Center Ms. Lauren Medley, IT Operations & Supportability Division Head, Joint Operation Medical Information System	Cybersecurity Health and Readiness Inspection Program LCDR Neill Miller, Cyber Health and Readiness Inspection Program Program Manager, Cybersecurity Policy & Business Operation, Risk Management Executive
BLOCK #2 BREAKOUT SESSIONS 4:00 - 5:00							
Cyber Threat Environment for DHA Ms. Sarah Watson, Senior Cyber Threat Researcher, Naval Information Warfare Center, DHA Center Cybersecurity Services Provider	DHA MED365 SharePoint Online Way Forward Mr. Miguel Campos, MED365 SharePoint Online Product Manager, Web and Mobile Technology, Solution Delivery Division, Program Executive Office, Medical Systems (J-6)	DHA MHS Enterprise IT Services - A Look Ahead Mr. Alvaro E. Rodriguez, Program Manager, Enterprise Information Technology Services Mr. Joshua M. Zamarripa, Chief, Enterprise Information Technology Services Integrator Program Management Offices Mr. Daniel Winske, Chief, Geographic Service Providers Program Management Offices, DHA Ms. Stephani Preusser, Contracting Officer, DHA Mr. Brian Reese, Technical Project Manager - Enterprise Information Technology Services Integrator/Capability Service Provider/ Geographic Service Provider, DHA	DHA Azure Virtual Desktop - I See Your BYOD Mr. Patrick Leitner, Data Center Operations Branch Chief, Infrastructure & Operations Division, Program Executive Office, Medical Systems (J-6) Mr. Aaron Rothberg, Data Center Operations Deputy Branch Chief, Infrastructure & Operations Division, Program Executive Office, Medical Systems (J-6)	Where is Your Data? Intro to the MHS Information Platform Mr. Chris Nichols, Enterprise Intelligence & Data Solutions Program Manager, Program Executive Office, Defense Healthcare Management Systems Mr. Robin Russell, Enterprise Intelligence & Data Solutions Program Manager, Program Executive Office, Defense Healthcare Management Systems	MHS GENESIS: State of the Union Col Christina Sheets, Program Manager, DoD Healthcare Management System Modernization, Program Executive Office, Defense Healthcare Management	Operational Medicine Data Solutions Panel Discussion Dr. Lennore Vinnie, Director, Operational Medicine IT COL Stephen Duryea, Deputy Director, J-3/5/7 Ms. Sandy McIntyre, Program Manager, Joint Operation Medical Information System, Program Executive Office, Defense Healthcare Management Systems Maj Scott McKeithen, Chief of Health Data and Analytics, Chief Digital and Artificial Intelligence Office, Department of Defense	Chief Information Officer Lifeline Mr. Joe Tolentino, Chief, Market Training Branch, Market Technology Integration Office, Program Executive Office, Medical Systems (J-6)

2024 DHITS				Wednesday, August 21, 2024 - Schedule Overview				
Plenary Sessions - Landmark Ballroom								
8:00 - 8:30	Plenary			Mr. Robert Goodman, Assistant Director, Resources & Personnel Integration				
8:30 - 9:00	Plenary			Dr. Paul Cordts, Deputy Assistant Director, Medical Affairs				
9:00 - 9:30	Plenary			Ms. Regina Julian, Deputy Assistant Director, Health Care Operations
