# SANTA MONICA

WHERE EVERY MOMENT IS INSPIRED

Nestled between the Pacific Ocean and the pulse of Los Angeles, Santa Monica is a vibrant beachside city where sun-soaked serenity meets urban energy.

Famed for its iconic pier, expansive beaches, and walkable neighborhoods, it offers guests a perfect blend of laid-back luxury, world-class dining, boutique shopping, and cultural experiences

—all within minutes of Beverly Hills, Malibu, and LAX. Regent Santa Monica Beach sits at the heart of it all, redefining beachfront elegance on California's most storied coastline.

A wide-angle photograph of a modern, multi-story hotel lobby. The space is characterized by its high ceiling, which features a large, arched glass skylight. The walls are clad in light-colored stone or marble, and the floors are made of polished wood. The lobby is furnished with several large, curved, light-colored sofas and armchairs, some of which are arranged in a circular pattern. Small, round, white tables are placed between the seating areas. Numerous indoor plants, including palm trees and other tropical foliage, are scattered throughout the space, adding a touch of nature. The lighting is warm and ambient, with recessed ceiling lights and small table lamps. The overall atmosphere is one of luxury and modern design.
