One Region. Countless Stories.

ONTARIO, CANADA

Arts & Entertainment

The story begins...with a standing ovation amid the stage lights of a Broadway-class production. Your cultural journey continues with world class independent film or strolling through incomparable art in the galleries or that most unique art venue - the Odette Sculpture Park located along the Detroit River. A museum without walls, the Odette Sculpture Park is a unique park showcasing more than 31 large-scale internationally recognized works of contemporary sculpture by world-renowned artists.

The Art Gallery of Windsor, the city's public art gallery, has a collection of over 3,000 works of art, providing historical, contemporary and educational exhibitions. Annual events including Art in the Park on the stately grounds of Willistead Manor, Art by the River at Fort Malden and the Motown favourites at the Colosseum at Caesars Windsor attract thousands of tourists each year. Our region has a thriving network of artists displayed in local galleries and public spaces.

Whether visiting the Pelee Island Art Works studio or learning about the history of the Heinz Company at the Leamington Arts Centre, our region is a treasure trove of cultural experiences that range from theatre to festivals, from folk art to ballet. Diverse and distinctive artistic activities exist all around the region, highlighted by cultural organizations and festivals. That breathless hush as the curtain rises marks the opening act of your story, here in Windsor Essex Pelee Island.

Gaming & Nightlife

The story begins...with your first pull of the slot machine, surrounded by the anticipation and excitement of the casino floor. It follows you as you dance the night away in the sounds and heartbeat of the club district. Regarded as one of the best party spots in Southern Ontario, the Windsor night club scene is one of a kind.

Whether your preference is Bingo, the excitement of harness racing or world class Vegas-style games at our Caesars Windsor - we've got it all! Caesars Windsor is Canada's largest internationally branded casino and entertainment spot and the region's most attended attraction. And, with the largest entertainment venue in the region - you can always expect a great show! At the Windsor Raceway and OLG Slots you can make your way to the gaming area and give the over 750 slot machines a whirl, or head to the racetrack before post-time and pick your horse for the live action.

Gaming and nightlife is abound in our region. Enjoy the reverberating beat of the clubs, the spin of the slots and then settle comfortably into a late-night jazz lounge. The drift of the night music sets your story in motion here in Windsor Essex Pelee Island.

Sports Tourism

The story begins...with the crack of the bat, the drop of the puck or the header that scores the goal. Windsor and Essex County have a distinguished record of hosting national and international sporting events and professional conferences. We boast a wide array of excellent facilities, and we take pride in a storied history of professionally executed event management and marketing expertise for events of all sizes. The dash for the net, the tie-breaking power play goal or the summer breeze across the outfield will set your story in motion, here in Windsor Essex Pelee Island.
