

Fundamental skills course

Comprehensive Restorative Implant Surgical Program

2027 series

Winter to Spring 2027
San Dimas, CA

This intensive and comprehensive program in implant dentistry will cover procedures including implant placement; implant loading protocols including immediate loading; reconstruction of deficient alveolar ridges; management of the esthetic zone; fabrication of immediate provisional restorations; abutment and restoration design; scanning; impressions; occlusion; All-on-4® treatment concept; and final restoration delivery! Participants will perform multiple implant surgeries on patients throughout the 6-month program. The Stevenson Dental Solutions faculty will guide you through each step of the process from treatment planning to routine implant placement to advanced grafting procedures, analog and digital impressions, and restoration. Extensive time will be spent in hands-on workshops, prior to live surgery, and with faculty demonstrations of procedures. No prior implant experience necessary!

Faculty

Richard G. Stevenson III
DDS, FAGD,
FACD, ABOD

Dr. Stevenson earned his doctor of dental surgery degree from UCLA, a certificate in advanced education in general dentistry from UCLA, and board certification from the American Board of Operative Dentistry. He is a graduate of the famed Kois Center in Seattle, Washington, and maintains a private practice at Stevenson Dental in San Dimas, California, performing complex restorative rehabilitations, esthetic treatments, and implant dentistry.

Mudit K. Yadav
DDS

Dr. Mudit Yadav is a graduate of the College of Dental Sciences at Manipal, India, and completed the rigorous 2-year Advanced Clinical Training Program at UCLA in 2017, graduating with honors. He has been teaching courses alongside Dr. Stevenson at the University of the Pacific, Arthur A. Dugoni School of Dentistry, and at the SDS Learning Center. Dr. Yadav practices general dentistry at Stevenson Dental Solutions.

Joan Pi-Anfruns
DMD

Dr. Joan Pi-Anfruns earned his degree as a doctor of dental medicine in 2004 from the Universitat Internacional de Catalunya in Barcelona. Currently, he shares his time between private practice in Los Angeles, California, and as a part-time Assistant Clinical Professor at UCLA with a dual appointment in the sections of oral and maxillofacial surgery and restorative dentistry.

Muazz Zendaki
DDS

Dr. Muazz Zendaki is a graduate of UCLA's Restorative Dentistry program, with extensive training under world-renowned mentors in the arts and sciences of comprehensive restorative and cosmetic dentistry. He is a member of The Academy of RV Tucker Study Club, and an active table clinician and member at the American Academy of Operative Dentistry, and the Academy of General Dentistry.
