Private Dining, Meetings & Events

at The Zetter Clerkenwell

Welcome to The Zetter, Clerkenwell

Nestled in a townhouse on one of London's oldest squares, our Clerkenwell home offers some of the most unique private dining and event spaces in London.

An Ideal Venue

Plan unforgettable events with style, quirk and bags of personality in our event rooms. Our Clerkenwell house offers some of the best private dining in London. You can enjoy an intimate dinner in the quirky opulence of The Dining Room, host a private meeting in The Games Room, or hire the whole house including our 13 bedrooms for a fabulous celebration.

The Zetter Clerkenwell is also one of the most unique wedding venues in London, whether it be for a small but perfectly formed lunch, a ceremony to remember or an exclusive hire for a very special party.

The Dining Room

Through the hand-painted double doors in the Parlour lies The Dining Room which perfectly seats up to 14 guests on a regency-style table, ideally suited for meetings, corporate lunches, or intimate dinner soirées. It is also a great spot for a tippie before or after dinner, hosting up to 20 in an informal setup. Through the sash windows, the sun alights a luncheon, presentation, networking event, or afternoon tea get-together, yet it also has the perfect ambiance for evening dining or a sophisticated cocktail party. The Parlour is situated just through double doors, allowing soft jazz music to play whilst the cocktails flow.
