Nurture your body. Elevate your golf game. Connect to nature. Our 15,000-square-foot spa is your ultimate wellness destination, where exploration meets relaxation — guided by experts who blend cutting-edge technology and ancient traditions.

Why Black Desert for Your Group

Wellness isn't just a break in the agenda — it's a performance strategy. Weaving wellness into your meeting creates an environment where energy rises, stress drops, and conversations become more meaningful. Strengthen team connection and set the tone for a positive, forward-moving culture by showing your attendees that their well-being matters as much as the work they produce.

Group Inclusions

- One complimentary space rental for morning wellness session
