

**Clinical Genomics:  
Ending Diagnostic Odysseys & Enhancing  
Equity in Patient Care**

Eunice Kennedy Shriver  
National Institute of  
Child Health and  
Human Development

**Thursday, September 22<sup>nd</sup>, 2022**

**1 pm-3pm ET**

- Welcome & Overview: Max G. Bronstein, Assistant Director for Health Innovation, OSTP
- Opening Remarks:
  - Diana W. Bianchi, M.D., Director, NICHD
  - Carrie Wolinetz, PhD, Deputy Director, Health & Life Sciences, OSTP

***I. The Emergence of Clinical Sequencing: Advancing Diagnosis & Improving Clinical Care***

- Moderator: [Chester Brown](#), M.D., PhD, Genetics Division Chief, Le Bonheur Children's Hospital, Professor, University of Tennessee Health Science Center
- Emergence of Clinical Genomics – Experimental to Clinical, [Teri Manolio](#), M.D., PhD, Director of Division of Genomic Medicine, NHGRI
- Case studies: [Project Baby Bear](#) & [SouthSeq](#), [Stephen Kingsmore](#), D.Sc., President/CEO of Rady Children's Institute for Genomic Medicine, [Bruce Korf](#), M.D., PhD, Chief Genomics Officer, University of Alabama Medicine, [Susie Wingate](#) (San Diego, CA): [Hudson's Story](#), Riboflavin Transporter Deficiency (RTD)

Keynote Remarks: [Lee A. Fleisher](#), M.D., Chief Medical Officer & Director of the Center for Clinical Standards & Quality, CMS

***II. State Models for Advancing Coverage of Genomic Sequencing: Michigan***

- Moderator: [Wendy R. Uhlmann](#), M.S., LCGC, Genetic Counselor. Clinical Professor, Departments of Internal Medicine (Division of Genetic Medicine) and Human Genetics, University of Michigan
- [Lynne Carter](#), M.D., MPH, Medical Director, Blue Cross Blue Shield of Michigan
- [Laura Appel](#), Executive VP of Government Relations & Public Policy, Michigan Health & Hospital Association
- [Brian Keisling](#), Director, Bureau of Medicaid Policy, Michigan Department of Health & Human Services
- [Caleb Bupp](#), M.D., FACMG, Division Chief of Medical Genetics & Genomics, Beaumont Health Spectrum Health and Helen DeVos Children's Hospital
- Max Bronstein, Assistant Director for Health Innovation - Closing Notes
