ZIMMER BIOMET
Institute®

Resident & Fellow Educational Program

Zimmer Biomet Institute® provides a wide range of educational experiences to healthcare professionals so you can learn, interact, understand and share knowledge about Zimmer Biomet products, services, techniques and technologies through different modalities.

It is good to know you have a skilled team. The Zimmer Biomet Institute offers a range of programs that can help members of your team develop their skills, from operating room staff and residents to leadership excellence initiatives – allowing your team to reach the next level.

The specific course objectives include:

- Enhance your technical skills during a series of interactive sawbones based challenges
- Experience simulated TKA scenarios with Virtual Reality
- Improve pre-operative decision-making and communication during a planning workshop

The Zimmer Biomet Institute® wishes you a valuable and enjoyable training with us.
