"United, we can prevent the tragedy of drowning."
Elevate your brand to an audience of safety product manufactures; swim instructors; national organizations dedicated to aquatics, water safety, and drowning prevention; first responders; lifeguards; public health and medical professionals; national leadership; international delegates; parents; community stakeholders; and other interested persons.

Expand your network in an environment conducive to networking!

Collaborate and support emerging advancements in technology, education programming, and water safety strategies.

Showcase and increase your organization's visibility as an innovative leader in drowning prevention and water safety.

Deliver your message to organizational members and conference attendees.
