EducationUSA Europe and Eurasia Regional Forum 2026
Session Proposal Submission

Terms and Conditions

* 17.

Please review the Presentation Terms and Conditions

- Presentations must be targeted to the professional educational advising community and/or U.S. higher education international recruitment/student services professionals. Presentations are accepted based on the originality, quality, and timeliness of content, and the presenters' qualifications and level of expertise on the proposed subject matter.
- A submission does not mean acceptance. If a proposal is accepted, the EducationUSA Europe and Eurasia Regional Forum Program Committee will contact the session chair and request confirmation of the proposal. Selections will be finalized in July 2026.
- Once confirmed, the speaker's name, title, and institution will be listed in the conference program. By confirming the presentation session, the session chair makes a commitment to Forum participants to register and attend the Forum and deliver what is published, including the topic and the speaker(s).
- The session chair is required to submit the presentation and handouts to the program committee in electronic format by September 1, 2026.
- Presenters are responsible for supplying copies of session handouts, if applicable.
- No presenter may use a session for commercial or institutional promotion or unfair criticism of another institution or competitor. If this impartiality requirement is violated, that institution and presenter will be subject to exclusion from future EducationUSA events.
- Presentations and handouts may be electronically reproduced and distributed to the EducationUSA advising network, Regional Educational Advising Coordinators, and the Educational Information and Resources Branch of the U.S. Department of State (ECA/A/S/A).
- Speaker substitutions are not permitted except in the case of an emergency and are subject to the Program Committee's approval. If a speaker is forced to cancel, his or her institution is not guaranteed a session for an alternative speaker. The Program Committee reserves the right to refuse to accept an alternative speaker.
- A projector, laptop computer, and sound equipment will be in the presentation room.
- Presenters are responsible for conference registration fees and all travel-related expenses (except EducationUSA advisers whose participation is funded by ECA/A/S/A).

☐ Yes
