Introducing The Derby London City, London's most exciting lifestyle hotel

In the heart of London's historic financial district, 'The Derby' resonates with charm, sophistication, and a touch of whimsy.

With 234 contemporary designed bed-rooms including 13 suites with stunning views of the City, this hotel will be first choice for both business and leisure stays.

The name, inspired by the iconic bowler hat – affectionately known as a 'Derby' – pays homage to a symbol that has been intertwined with British Style and the City's storied banking heritage.

The hotel embodies the elegance, ambition, and craftsmanship that has built London into a global financial capital.

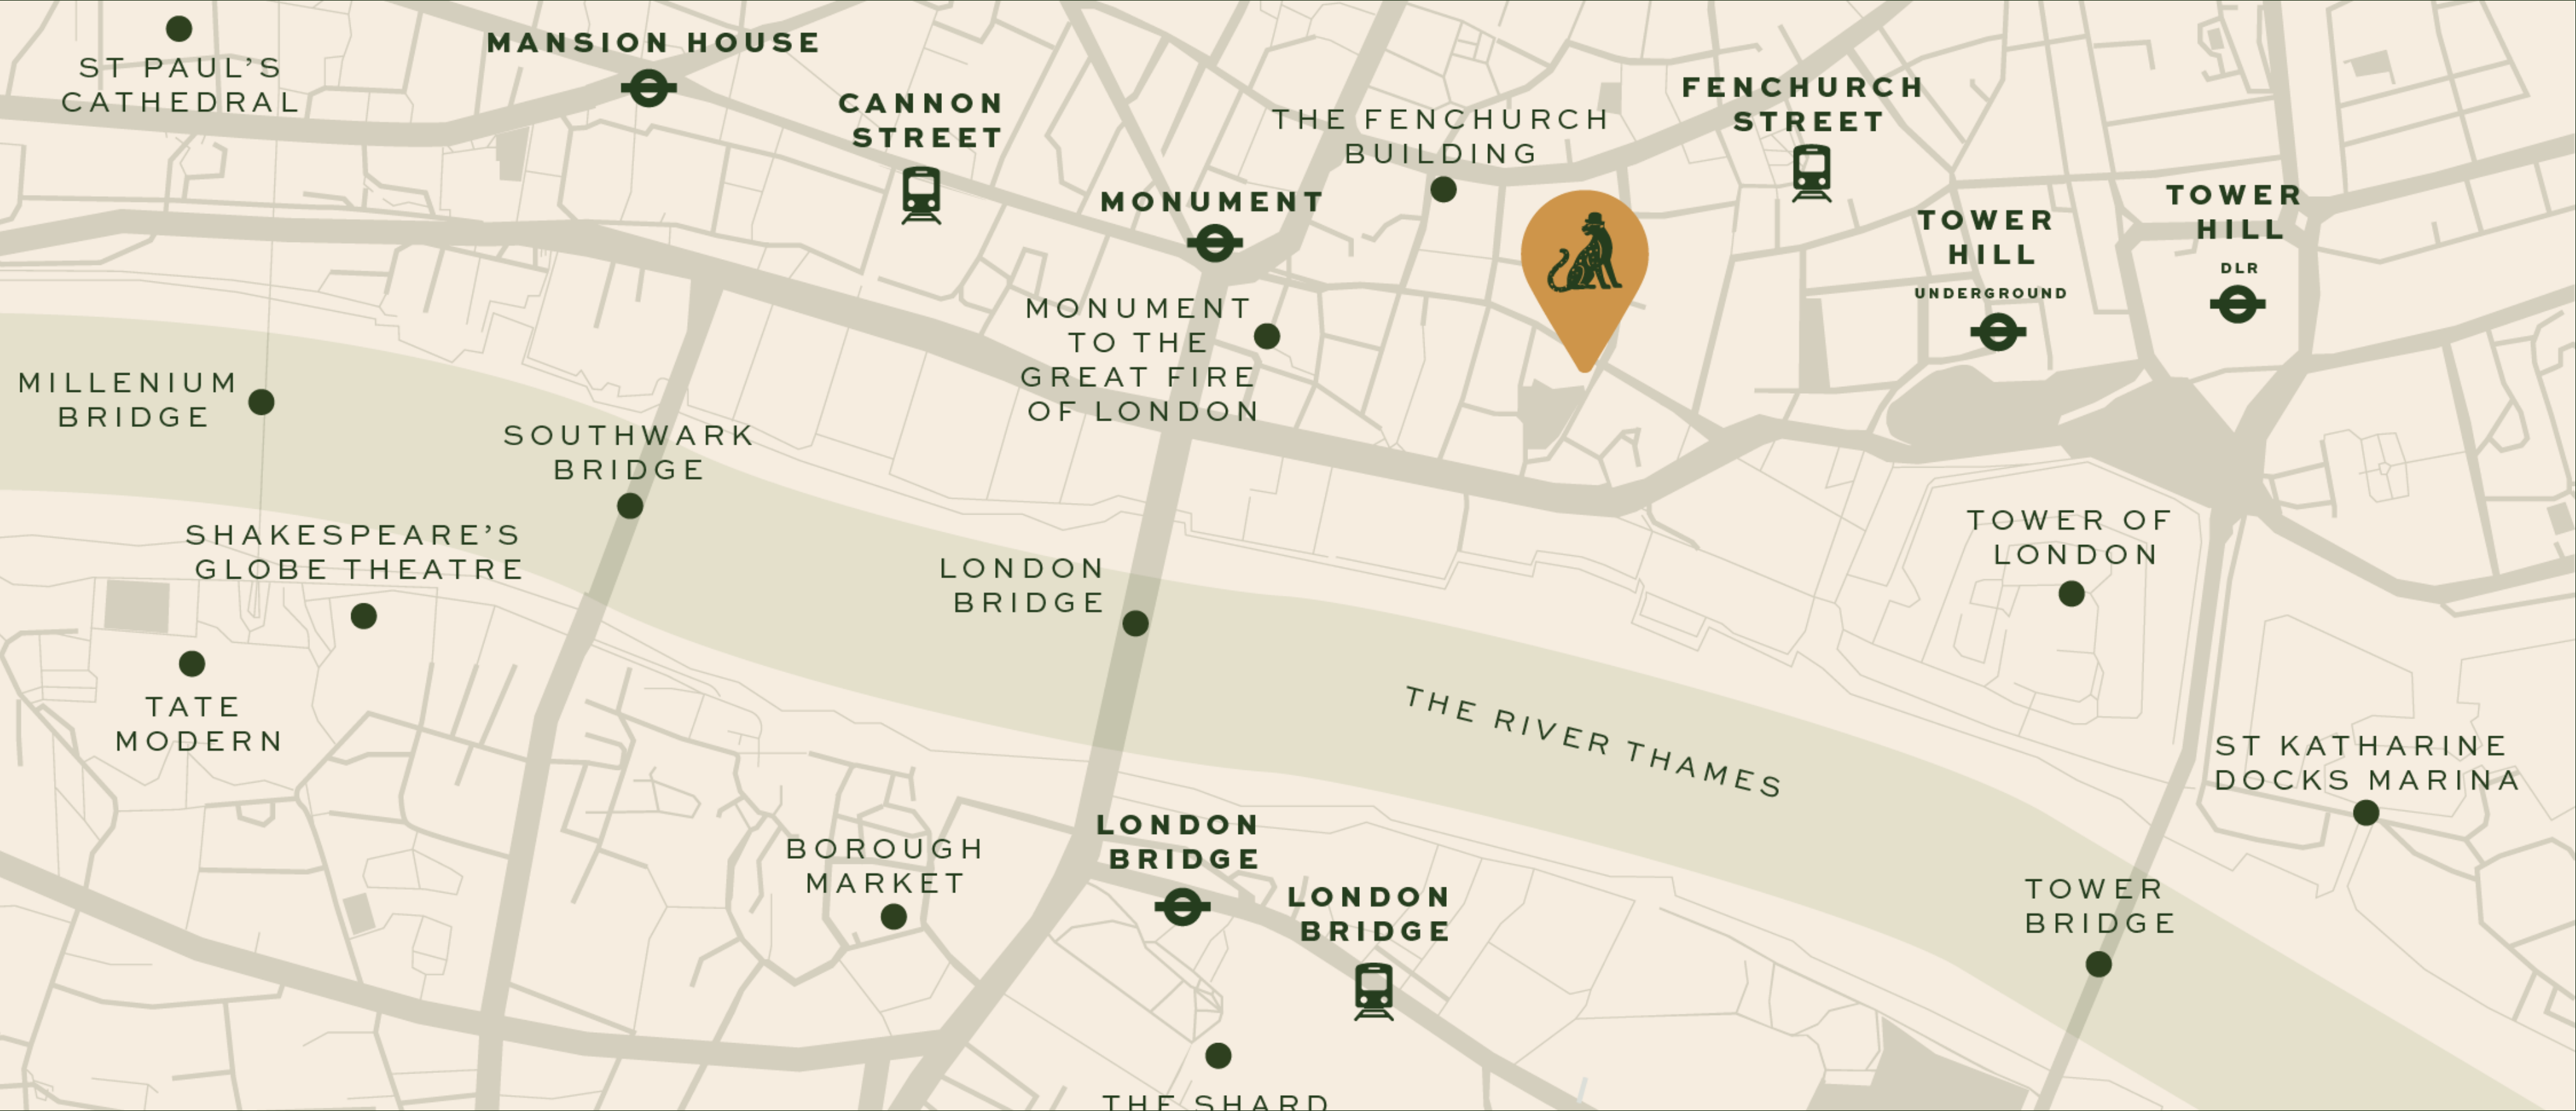

Drawing inspiration from the historic Goldsmiths' Guild—whose leopard's head symbol marked true quality—our emblem stands for heritage, excellence, and refined individuality, all brought to life with modern flair and a hint of quirky charm.

A PRIME SETTING FOR BUSINESS AND LEISURE

Perfectly positioned, the property is a just short 5-10 minute walk from some of the capital’s most iconic landmarks. With excellent transport links and effortless connectivity, guests can easily explore the city’s rich history, cultural attractions, and dynamic business hubs.

The hotel overlooks St. Dunstan in the East, a calming oasis in the bustling City with majestic arches and greenery.

THE GOLDEN HOUR

Every evening at 5:10pm, guests are invited to unwind and savour a moment of indulgence as the bar comes alive with the creation of a signature cocktail infused with golden saffron and honey.

THE MERCER'S MARKET

Celebrating Sir Robert Tate's legacy as a prominent Mercer and leader in London's thriving trade scene, the hotel hosts a curated 'market' showing a selection of luxury goods, textiles & handcrafted items from local artisans.
