

Your Favorite Back Bay Spot Reimagined

Hilton

BOSTON BACK BAY

Hilton Boston Back Bay is newly renovated destination where modern comfort, premier location, and exceptional service come together to create impactful meetings and memorable stays. The hotel has been recently transformed through an extensive property-wide renovation. Every detail has been thoughtfully enhanced, from refreshed guest rooms to a state-of-the-art fitness center, inviting public spaces, and fully redesigned meeting venues. Whether hosting a high-level corporate conference or an intimate boardroom session, the hotel's versatile meeting spaces and advanced audiovisual capabilities provide the perfect backdrop for seamless, impactful gatherings.

OVERVIEW

- 401 newly renovated guestrooms including rooms with sweeping views of the Charles River
- 40 Dalton Kitchen & Bar serving breakfast, lunch, and dinner
- State-of-the-art fitness center featuring Peloton bikes, premium cardio equipment, and a full range of strength-training options
- Wireless high-speed internet throughout the hotel
- Hilton Honors® benefits and Digital Key access
- On-site parking available

LOCATION

- Prime Back Bay location, one of Boston's most desirable neighborhoods
- Directly across from the Hynes Convention Center
- Walking distance to Fenway Park and MGM Music Hall
- Steps from Newbury Street's renowned shopping and dining
- Close to Boston's leading universities including Northeastern University, Berklee College of Music, and Boston University
- Easy access to public transportation and Logan International Airport

MEETINGS & EVENTS

- 15,000 sq. ft. of newly renovated meeting and event space
- 13 flexible event venues many with nature light
- Accommodations for meetings and events of up to 500 guests
- Multiple room configurations for conferences, training sessions, and receptions
- Customizable catering menus tailored to your event needs
- Advanced audiovisual capabilities and hybrid meeting technology
- Dedicated event planning, banquet, and technical teams ensuring seamless execution
