Groups and corporate events

Discover the perfect balance between work and relaxation.

At Canopy Cancún, every event is a unique experience. From strategic meetings to unforgettable celebrations, we offer versatile spaces that adapt to your style.

Mezzanine is the ideal meeting point for corporate groups and events — a dynamic space full of personality. It features three meeting rooms that blend comfort and functionality, along with a casual lounge area with sofas and armchairs perfect for relaxing between sessions, socializing, or hosting something special.

Wander, located at the highest point of the hotel, is more than just a rooftop — it's a versatile space with the best views of the Caribbean. Ideal for intimate weddings, sunset celebrations, birthday parties, social events, outdoor fitness classes, art workshops, and creative experiences. For more private gatherings, the upper floor of our Azulinda restaurant is perfect for brunches, cocktails, or celebrations with a local and laid-back touch.
