**description**
Named after Sir George Murray, Secretary of State of War and Colonies. In the early days Murray Street was called Goderich Street east of Barrack Street in honour of Frederick John Robinson who was created Viscount Goderich in 1827. Goderich was Prime Minister from 1827-28. For four years (1830-33) he was Secretary of State for War and the Colonies. In 1897 the section of Goderich Street between Barrack Street and St. Mary's Cathedral became Murray Street, but remained Goderich Street on the other side of Victoria Avenue. Murray Street became a Mall on 13 September 1988.
