Join us April 25–27, 2018, in Cincinnati, Ohio!

Cafeterias in schools and early care and education settings, colleges and universities, hospitals and other institutions serve tens of millions of Americans every day, placing the farm to cafeteria movement at the forefront of the fight to end obesity, advance equity and strengthen local food systems.

Make your plans now to attend the 9th National Farm to Cafeteria Conference to experience skill-building workshops, inspiring field trips, engaging speakers and great local food while making connections with farm to cafeteria advocates from across the country.
