### Volunteer Commitment

By applying to volunteer for the 2023 Networker Symposium, you are committing to a long-standing tradition and honor of being a volunteer. Please acknowledge each of the statements below and agree to the role commitments. Please email [symposium@psychnetworker.org](mailto:symposium@psychnetworker.org) with any questions or concerns on this list.

- I will attend the Volunteer Orientation Meeting that I've selected and daily morning Check-In Meetings (Thursday & Friday at 7:30AM; Saturday & Sunday at 7:45AM). I understand that I must check my Cvent Attendee Hub or Mobile App prior to the morning check-in in case of assignment changes.
- I will work Thursday, March 16 – Saturday, March 18 from 7 am - 5 pm, and Sunday, March 19 from 7am - 1pm with the possibility of working the evening dinner events if selected during registration.
- I will report to my area supervisor at the time noted on my Symposium schedule unless instructed otherwise during morning check-in.
- I understand that every effort is made to assign me to my selected workshops, but by agreeing to volunteer, I may not receive my first choice. I am agreeing to be flexible and volunteer where most needed.
- I will always wear my volunteer hat and name badge during Symposium.
- If I don't fulfill the complete commitment I've made, I will forfeit the opportunity to be a volunteer in the future.
