

NCCN

Annual 2027 Conference

Call for Abstracts

Showcase Your Work!

- Experts will lead a guided tour during lunchtime poster sessions
- All accepted and presented abstracts are published online in *JNCCN*
- Top abstracts are invited to give an Oral Poster Presentation

NCCN is now accepting abstracts for consideration to be presented during the **NCCN 2027 Annual Conference General Poster Session**.

The Poster Session and Submission Review is overseen by the NCCN Oncology Research Program (ORP). Research may fall into these areas:

- Clinical oncology (all phases)
- Pre-clinical oncology
- Epidemiology/risks/prevention
- Correlative/genomic
- Best practices in implementation and use of clinical practice guidelines
- Quality improvement
- Outcomes and health services research (including equity and disparities)
- Bioinformatics/information technology sciences
- Case studies and literature reviews
- Trials in progress
