11.35am	Federal Shadow Ministerial address – Grand Ballroom, Lobby Level Stephen Conway , Chair, TDA Board; Managing Director, TAFE SA, Adelaide South, will introduce: The Hon. Sussan Ley, MP, Federal Shadow Minister for Employment Participation		
12.05pm	Concurrent sessions: Issues about Governance – International networks and partnerships – Education for sustainability (EfS)		
	C1: A question of governance – Grand Ballroom, Lobby Level	C2: International networks and partnerships – Plaza 1, Lower Lobby Level	C3: What is education for sustainability (EfS) and how do we build this into our teaching and learning? – Freshwater Bay Room, Lobby Level
	Chair: Malcolm White, Chief Executive Officer, Skills Institute, Tasmania; TDA Board Member How well will our current organisational and governance structures serve us? - Western and eastern States and Territories are implementing different governance arrangements for their public providers. Are they different in form and/or substance? - How do state/territory training authorities calibrate the right level of ‘arm’s length’ governance? Have we got the balance right? - How do we shift from administrative prescription to professional trust? - What is the risk to government as owners of public providers? - What is the ‘appropriate’ level of autonomy for public technical and further education providers? - What are the appropriate roles, responsibilities and expertise of members of governing councils and boards? - How free should public state-owned providers be to respond to their local communities? Note the much greater autonomy and power for English governing bodies. - Have the ‘commercial-in-confidence’ norms of business corroded the idea of education? Speaker: Kim Bannikoff, VET Sector Representative, AQFC Facilitator: Dr Jane Figgis (sponsored by ) Perspectives: Dr Andrew Giddy, Chief Executive Officer, Northern Melbourne Institute of TAFE, formerly Chair, NMIT Board Niegel Grazia, Vice President – Kimberley, Browse LNG Development Hugh Becker, Governor and Chair, New College, Durham, UK Discussion from the floor	Chair: Marie Hill, Senior Manager, International Education Group, Austrade According to a 2011 TDA survey commissioned by Austrade, 41 TAFE institutes listed 247 active offshore partnerships in 40 countries. A 2010 NCVER survey indicated almost 65,000 students were studying offshore with TAFE. - How can Australian industry and businesses work with TAFE institutes in expanding offshore provision? - Where are the opportunities and how do you find out about them? - What lessons can we learn from previous and existing partnerships? - What is needed to encourage public providers of technical and further education to develop and expand international networks and partnerships? - The implications of the current Australian visa processing of international students Perspectives: Shri T C Saravanabava, Deputy Director General (Apprenticeship Training), Directorate General of Employment & Training (DGET) (Headquarters), Ministry of Labour & Employment, Government of India Joanna Wood, Director, South Asia, International Education Division, DIISRTE Peter Holden, Director International Engagement and Business Development, TDA National Secretariat Rod Jones, Managing Director/Chief Executive Officer, Navitas Limited Discussion from the floor	Chair: Sue Slavin, Deputy Chair, TDA Board; Managing Director, West Coast Institute of Training <i>“... to build the capacity of the vocational education and training (VET) sector to deliver the skills for sustainability required in the workplace and to enable individuals, businesses and communities to adjust to and prosper in a sustainable, low-carbon economy”</i>, Green Skills Agreement, COAG 2009. The challenges we face to integrate EfS can be addressed by examining: - What is EfS? - What are the challenges and opportunities to integrate EfS? - How can we integrate EfS? Launch of the International Green Skills Network by Martin Riordan, Chief Executive Officer, TAFE Directors Australia Speaker: Linda Condon, Director, International Green Skills Network – TDA Perspectives: Bob Paton, Chief Executive Officer, Manufacturing Skills Australia Jill Jamieson, General Manager Training Services, Challenger Institute of Technology Gareth MacRae, Sustainability Coordinator, West Coast Institute of Training Discussion from the floor

DAY 2 Friday 7 September (continued)

1.10pm	Lunch – Mezzanine (Barista coffee available, sponsored by  – Grand Ballroom Foyer, Lobby Level)
2.05pm	What could a post-secondary education system look like? – Grand Ballroom, Lobby Level Issues for discussion: - What are the implications for the demand-driven higher education system? - How can governments support a diverse and vibrant HE sector? - How can the public be sure that quality is maintained? - Where should public providers of technical and further education sit in the HE sector? Facilitator: <i>Dr Jane Figgis</i> (sponsored by ) Facilitated conversation between: Mike Teece, Director – Policy, Group of Eight (Go8) Bruce Mackenzie PSM, Chief Executive, Holmesglen Institute of TAFE Kevin Harris, Institute Director, TAFE NSW – Northern Sydney; TDA Board Member Discussion from the floor
3.05pm	Apprenticeships – Everything old is new again. Can there be a breakthrough? – Grand Ballroom, Lobby Level Chair: <i>Mary Campbell</i>, Institute Director, SkillsTech Australia <i>“Completion rates for Australian Apprenticeships are unacceptably low (about 48 per cent). This represents a significant economic cost, given the time and resources provided for both on the job and off the job training. There are a range of issues that commonly emerge from the research about reasons for non completion, including: workplace or employer issues, lack of support, low wages and not liking the work.”</i> <i>(A shared responsibility: apprenticeships in the 21st century, 2011.)</i> - Strategies for successful outcomes for apprentices - Pathways from apprenticeships to further education - Master tradespersons – attainable in Australia? A facilitated discussion: Kelley Yeats, Member, WA State Training Board; General Manager, Apprenticeships Australia Coralie Morrissey, Deputy Director, TAFE and Executive Dean, Faculty of Technical and Trades Innovation, Victoria University Dr Alex Maroya, National Director, Training Policy, Master Builders Australia Ltd Discussion from the floor
